

31. POLLUTION CONTROL COMMITTEE

Sr. No.	Services / facilities rendered		Procedure	Time limit	Contact Person	Whom to contact if no solace is received from the Contact Person.
31.1	Consent to Establish an Industry	A B C D E F	<p>Duly filled in application Form No. XIII under Water Act. *</p> <p>Duly filled in application FORM No. 1 under Air Act *</p> <p>Consent fee under Water Act and Air Act in the form of Demand Draft in favour of Pollution Control Committee payable at Daman or Silvassa #.</p> <p>Notarized affidavit in ten rupee stamp paper giving details of capital investment including land, building and plant and machinery without depreciation.</p> <p>Copy of land sale / lease agreement</p> <p>Copy of Provisional registration / In-principle clearance issued by District Industries Centre</p>	90 days	SWIFT (Single window)	Member Secretary Pollution Control committee, Daman

31. POLLUTION CONTROL COMMITTEE (contd..)

Sr. No.	Services / facilities rendered	Procedure	Time limit	Contact Person	Whom to contact if no solace is received from the Contact Person.
31. 1 (Con td..)		<p>G Comprehensive project report including the following :</p> <ul style="list-style-type: none"> i) List of Products to be manufactured ii) List of raw materials to be used (product-wise) and quantity required per month. iii) List of plant and machinery to be installed iv) Details of Boilers / Thermic Fluid Heaters/ DG sets to be installed and their capacity, fuel to be used and fuel consumption. v) Details of hazardous chemicals – Chemical Name and its boiling point (°C), flash point (°C) and storage capacity (Tonnes) at any given time. @ vi) Material Safety Data Sheet of hazardous chemicals as per Schedule 9 of the Manufacture, Storage and Import of Hazardous Chemicals Rules 1989@. vii) Detailed manufacturing process (product-wise) including chemical reactions viii) Process Flow Chart (product-wise) ix) Sources of wastewater generation before and after treatment and discharge point. x) Quality of effluent generation before and after treatment and discharge point. xi) Details of Effluent treatment Plant including design, blue print and treatment process. 			

31. POLLUTION CONTROL COMMITTEE (contd..)

Sr. No.	Services / facilities rendered	Procedure	Time limit	Contact Person	Whom to contact if no solace is received from the Contact Person.
31.1 (Contd..)	<ul style="list-style-type: none"> xii) xiii) xiv) xv) 	<p>Details of solid wastes generation (Non-hazardous) – Type, quantity and method of collection, storage, treatment and disposal</p> <p>Details of hazardous wastes generation- Type, quantity, physical form, chemical composition and method of collection, storage, treatment, and disposal ##.</p> <p>Details of stacks and the process equipment / machinery to be attached with it and air pollution control device to be installed including blue-print.</p> <p>Quantity and quality of stack emission before and after treatment.</p> <p>H Memorandum of Articles of Association / Partnership deed (signed)</p> <p>I Authorization letter to sign / receive documents</p>			
31.2	Consent to operate an Industry	<ul style="list-style-type: none"> A Duly filled in application Form No. XIII under Water Act. * B Duly filled in application Form No. I under Air Act. * C Consent fee under Water Act and Air Act in the form of Demand Draft in favour of Pollution Control Committee payable at Daman or Silvassa #. 	90 days	SWIFT (Single window)	Member Secretary Pollution Control committee, Daman

31. POLLUTION CONTROL COMMITTEE (contd..)

Sr. No.	Services / facilities rendered	Procedure	Time limit	Contact Person	Whom to contact if no solace is received from the Contact Person.
31.2 (cont d.)		<p>D Notarized affidavit in ten rupee stamp paper giving details of capital investment including land, building and plant and machinery without depreciation.</p> <p>E Copy of consent to 'establish' order issued under Water Act</p> <p>F Copy of consent to 'establish' order issued under Air Act</p> <p>G Copy of building occupancy certificate issued by PWD.</p> <p>H Architect's certificate regarding soakpit and septic tank</p> <p>I Copy of explosive /storage license issued by local /national agencies regarding handling petrochemicals.</p> <p>J Copy of Power Sanction order issued by Electricity Department.</p> <p>K Copy of Factory license issued by Chief Inspector of Factories and Boilers</p> <p>L Feasibility report of the pollution control system installed to treat water/air pollution including copy of ETP/APCD drawings</p> <p>M Solid Waste Management Plan (Hazardous and Non-hazardous) including its collection, storage, transport, treatment and disposal^{##}</p>			

31. POLLUTION CONTROL COMMITTEE (contd..)

Sr. No.	Services / facilities rendered		Procedure	Time limit	Contact Person	Whom to contact if no solace is received from the Contact Person.
31.2 (cont d)	Consent to operate	N	Major accident, hazardous and steps taken to prevent the same if industry handles any hazardous chemical @			
		O	Safety Report, Safety Audit Report and On-site emergency Plan @			
		P	Application for authorization to handle hazardous wastes under the Hazardous Waste (Management and Handling) Rules 1989 ##			
		Q	Application as per Form I of Recycled Plastic Manufacture and Usage (Amendment) Rules, 2003 for grant of registration to manufacture of plastic carry bags and containers.			

* No column in the application should be left blank. Word such as “ As per Project report “. “As given earlier”, or other similar words should not be used while filling the application forms.

The consent fee structure is on the basis of the capital investment which include land, building, plant and machinery without depreciation. Demand Draft for payment of consent fee shall made as per Schedule V of Notification No.PCC/DMN/13-iii/1999-2000 dated 3/5/1999.

@ Please refer the Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989 as amended from time to time.

Please refer the Hazardous Waste (Management and Handling) Rules, 1989 as amended from time to time.

Note : White category industries need not submit application under Air Act. (i.e. Flag-B)

31. POLLUTION CONTROL COMMITTEE (contd..)

Sr. No.	Services / facilities rendered		Procedure	Time limit	Contact Person	Whom to contact if no solace is received from the Contact Person.
31.3 (cont d)	Renewal of Consent to operate an Industry	A	Duly filled in application Form No. XIII under Water Act. *	90 days	SWIFT (Single window)	Member Secretary Pollution Control committee, Daman
		B	Duly filled in application Form No. I under Air Act. *			
		C	Consent fee under Water Act and Air Act in the form of Demand Draft in favour of Pollution Control Committee payable at Daman or Silvassa #.			
		D	Notarized affidavit in ten rupee stamp paper giving details of capital investment including land, building and plant and machinery without depreciation.			
		E	Copy of 'operate or renewal consent ' order issued under Water Act			
		F	Copy of 'operate or renewal consent' order issued under Air Act			
		G	Documentary proof towards payment of Water Cess.			
		H	Copy of renewal license issued by Chief Inspector of Factories and Boilers.			
		I	Monthly Analysis report of treated effluent from Effluent Treatment Plant			
		J	Monthly stack monitoring report			
		K	Monthly Ambient Air Quality (within the factory premises) monitoring report			
		L	Monthly ground water quality monitoring report from the nearest bore-well			

* No column in the application should be left blank. Word such as “ As per Project report “. “As given earlier”, or other similar words should not be used while filling the application forms.

The consent fee structure is on the basis of the capital investment which include land, building, plant and machinery without depreciation. Demand Draft for payment of consent fee shall made as per Schedule V of Notification No.PCC/DMN/13-iii/1999-2000 dated 3/5/1999.

Please refer the Hazardous Waste (Management and Handling) Rules, 1989 as amended from time to time.

- Note : i) White category industries need not submit application under Air Act.
(i.e. Flag-B)
- ii) Renewal consent can be granted upto 5 years, 3 years and 2 years for White / Green Category, Orange Category and Red category industries respectively. Accordingly, consent fee may be paid to consider issue of renewal consent for the period mentioned above.
