2. Commercial and Technical points:

Tender Clause/ page No.	Description of tender technical specification.	Amendment Request	Reply
	Section – III (Qualification Criteria)		
(ii) at page 31 of 99	The bidder shall be a manufacturer/supplier of such manufacturers, who has manufactured or supplied equipment of similar type and capacity of at least 100% of the quantity indicated in the schedule of requirements in any year of the last 3 year, which are in successful operation in India as on the date of bid opening. Copy of orders should be submitted along with offer.	In order to allow maximum participation and also considering the bid as GLOBAL, the world wide credential should be admitted. In the similar case in your state VMC has accepted this clause for their 90m tender.	Accepted “in India” is deleted from this clause in the current tender.

(iii) at page 31 of 99	The Bidder shall invariably furnish the documentary evidence in support of satisfactory operation/ performance report in India of the equipment similar to tendered item during the last 5 years prior to bid opening.		Accepted “in India” is deleted from this clause in the current tender.
(iv) at page 31 of 99	<p>Experience of having successfully completed similar works in India during last 7 years ending last day of the month previous to the one in which applications are invited should be either of the following:-</p> <p>Three similar completed works costing not less than the amount equal to 50% of the estimated cost.</p> <p>Definition of “Similar Work”.</p> <p>Hydraulic platform with a high reach of 44 meters, Outreach of 20 meters minimum,</p> <p>Rescue and fire fighting as per the specification laid down In the tender specification.</p>	As mentioned above please consider our rich experience of successfully completed similar works in abroad during last 07 years.	Accepted “in India” is deleted from this clause in the current tender.

The above amendment is made subject to produce an affidavit-cum-undertaking on Rs.500/- stamp paper to have a workshop with having qualified employees in India for repairing /servicing and maintenance of the equipments (Hydraulic Aerial Ladder Platform) with technical bid by the bidder failing which the tender will be out rightly rejected.

Other contents of the Tender/technical specification will remain unchanged.

For and on Behalf of Director,
Fire & Emergency Services,
Daman & Diu and DNH.
