

M/s. C. M. Engineering, Village Kachigam, Daman was issued 'Consent to Establish' to manufacture fabrication & engineering works-5000 MTPA (by way of engineering & fabrication only without any kind of metal processing process/pretreatment process like pickling/degreasing/phosphating/seven tank/powder coating/washing/surface cleaning process/melting process/anodizing process and no use of ingots/billets as raw materials) under Water/Air Act and valid upto **31/08/2014**. The activity falls under **Green Category**. The unit has applied for 'operate consent' under Water/Air Act on 28/05/2015 and the following documents are as under:

- Application Form-XIII under Water Act.
- Application Form-I under Air Act.
- Paid consent fees of Rs. 2360/- under Water Act & Air Act.
- Declaration letter regarding capital investment.
- Establishment consent copy under Water Act & Air Act.
- Application Form-I for authorization to handle hazardous wastes and industry data sheet.
- Details of display sign board.

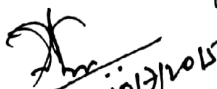

The unit was inspected on 26/09/2015 and the observations are as under:

- The unit was in operation at the time of inspection.
- The unit has installed machinery such as lath m/c-3 nos., welding m/c, cutter m/c, drilling m/c, gas cutting m/c, electrical panel board, air compressor.
- The unit is installed the plant & machinery to the above manufacture the items.
- The process includes mainly by engineering-fabrication and assembling only.
- The unit is not doing any type of pre-treatment/pickling/phosphating/seven tank process or powder coating/washing process at the time of inspection.
- The unit has installed displayed sign board.
- The unit is not generation any type of waste water/fugitive emission during the process.
- The unit is not using any water during the process and is not significant to pollution potential.

In view of the above, the 'operate consent' (**Green Category**) to manufacture fabrication & engineering works-5000 MTPA (by way of engineering & fabrication only without any kind of metal processing process/pretreatment process like pickling/degreasing/phosphating/seven tank/powder coating/washing/surface cleaning process/melting process/anodizing process and no use of ingots/billets as raw materials) under Water/Air Act may be issued with a terms and conditions as mentioned in Annexure-I & II.

Submitted for kind perusal and approval please, Sir.
