

M/s. Ken Plast, Gala. No. 14, Maharani Udyog, Somnath Dabhel Road, Village-Dabhel, Daman was issued consent to establish for manufacturing of "Plastic films, rolls and bags (thickness above 40 microns)-300 MTPA. (no other items)." under Water and Air act valid upto 31/04/2012. The activity falls under **Category-III**.

The unit has submitted application for grant of consent to Operate under Water and Air act on 17/03/2016 along with the following documents;

- Application form no. XIII under Water Act.
- Application form no. I under Air Act.
- Declaration giving details of capital investment including land, building and plant & machinery without description.
- Consent fees under water and air act for Rs 4,620/-.
- Format of environmental display sign board.
- Application for authorization to handle Hazardous Waste (form-I).
- Industry Data Sheet.
- Copy of Consent to Establish under Water and Air Act.
- Form-I of Recycled Plastic Manufacturing and Usage (Amendment) Rules, 2003 for grant of registration for manufacturing of plastic carry bags and containers.

The unit was inspected on 25/04/2016 at 16:30 hrs. At the time of inspection of the unit following observations were noted:

- Display sign board was properly filled with product and waste generation details.
- The unit was in operation at the time of inspection.
- Raw material used in manufacturing process was plastic granules of LDPE.
- Products being manufactured at the time of inspection were plastic bag.
- Manufacturing process involved in the unit were extrusion and packaging.
- Machineries installed in the premises of the unit were 4 blow film extrusion machines, a cooling tower, 2 mixers and an air compressor.
- Representative of the unit had informed that they send the generated plastic scraps to M/s. Pioneer Plastic, Agrawal Industrial Estate, Somnath, Dabhel for grinding then get it back in their unit for reusing it in combination with fresh virgin granules in extrusion machine.
- Housekeeping observed was in good condition.
- Proper storage facilities were available for raw material and products.
- The unit was availed with septic tank and soak pit for domestic waste water generation.

In view of the above, Operate to Consent for manufacturing of "Plastic films, rolls and bags (thickness above 40 microns)-300 MTPA. (no other items)." which falls in **Category-III** under Water act and Air act along with terms and conditions as mentioned in annexure-I for the period up to 31/03/2019.

Submitted or your kind Perusal and approval, Sir please.
