

M/s. Krishna Industries, Kinganwada, Daman was issue Consent to Establish for manufacturing of "Polyester Texturised Yarn - 1200 MT/Annum" under Water and Air Act which was valid upto **31/05/2016**. The activity falls under **Category - III**.

The unit had submitted application for grant of consent to operate on 09/09/2016 with following documents:

- Application form no. XIII under Water Act.
- Application form no. I under Air Act.
- Demand draft of Rs. 2000/-.
- Declaration giving details of capital investment including land, building and plant & machinery without description.
- Display sign board.
- Copy of consent to establish obtained under water and air act.
- Form - I for Application for authorization to handle Hazardous Waste.
- Industry Data Sheet Format.

The unit was inspected on 19/09/2016 and at the time of inspection following observations were noted:

- Display signboard was not installed outside of the premises.
- The unit was in operation at the time of inspection.
- Raw material used in manufacturing process was POY only.
- Products being manufactured were Texturised yarn only.
- Machineries installed within the premises of the unit were Texturising m/c - I no.
- The unit is not significant to pollution potential as there is no water used during any stage of process and no significant emission form the process.

In view of above, the unit requires to submit balance consent fees of Rs. 1540/- for the period upto 2017 and to install display signboard at the main gate. Hence, letter is prepared and placed in file for approval, Sir.
