

M/s. Krishna Plastics, Sr. No. 168-5, Ground floor, Village-Dunetha, Daman was issued consent to establish to manufacture the product "Plastic injection moulded articles 480 MT/Year, moulds-50 No/ann.(no other items)" under Water and Air act valid upto 30/11/2011. The activity falls under Green category.

The unit has submitted application for grant of consent to Operate under water and air act on 10/09/2015 along with the following documents;

- Application form no. XIII under Water Act.
- Application form no. I under Air Act.
- Declaration giving details of capital investment including land, building and plant & machinery without description.
- Consent fees under water and air act for Rs 18884 /-.
- Display sign board.
- Application for authorization to handle Hazardous Waste (form-I).
- Industry Data Sheet.
- Copy of Consent to Establish under Water and Air Act.

The unit was inspected on 24/9/2015 at 12:02 hrs. At the time of inspection of unit following observations were noted:

- Display sign board was properly filled with product and waste generation details.
- The unit was in operation at the time of inspection.
- Raw material dealt with Poly propylene and High density plastic.
- The manufacturing process mainly involves injection moulding only.
- Total four Plastic injection moulding machines were there out of which one was out dated hence was not operational condition.
- Proper storage facilities were available for raw material and products.
- The unit is not significant to pollution potential. As there is no water used during any stage of process.
- The unit was availed with septic tank and soak pit for domestic waste water generation.

In view of the above, Operate consent (**Green category**) to manufacture "Plastic injection moulded articles 480 MT/year (no other items)" along with terms and conditions as mentioned in annexure-I for the period up to 31/08/2016.

Submitted for your kind approval please.
