Police Department,
Administration of Dadra and Nagar Haveli and Daman & Diu, (U.T.)
Office of the Dy. Supdt. Of Police (HQ),
Police Head Quarter, Dunetha,
Daman & Diu, Daman

No. Dy. SP (HQ)/DMN/Estt/Order/2021/515-2146809

Dated : 12/03/2021

Read :- Application Dated:- 31/12/2019 from Smt. Prabha Brendan Azevedo, Lady Police Sub-Inspector of Coastal Police Station, Kadaiya, Daman.

ORDER

The approval of the Competent Authority is hereby conveyed for change of name in Official records of "Prabhamoney Thankappan Thadathil", Lady Police Sub- Inspector of Police Department, U.T. Administration of Dadra & Nagar Haveli and Daman & Diu. It is hereby ordered that the name of "PRABHAMONEY THANKAPPAN THADATHIL" recorded in the Government records/documents may be read as "PRABHA BRENDAN AZEVEDO" instead of "PRABHAMONEY THANKAPPAN THADATHIL".

This is issued with concurrence of the Secretary (Personnel) vide diary No. 677123 dated:- 19/02/2021 and approval of the DIG (P), DNH & DD, Daman being Appointing Authority vide diary No. 695693 dated :- 19/02/2021.

Sd/-
Dy. Superintendent of Police (HQ),
Police Head Quarter,
Daman.

**U.T. Administration of Dadra & Nagar Haveli and Daman & Diu
Department of Personnel and Administrative Reforms,
Secretariat, Daman.**

No. 1/272/93-PER/Vol.V/Part-I/1568

Dated : 02/12/2021

ORDER

In pursuance of the Ministry of Home Affairs, Government of India's order F. No. 14020/07/2021-UTS.I dated 10th November, 2021, the Administrator of Dadra & Nagar Haveli and Daman & Diu, is pleased to relieve Shri Vaibhav Rikhari, DANICS (2013), Chief Executive Officer (DP), Diu from the U.T. Administration of Dadra & Nagar Haveli and Daman & Diu w.e.f. 06/12/2021 (A.N.) with direction to report to the Chief Secretary, Andaman & Nicobar Island Administration, Port Blair.

By order and in the name of the
Administrator of Dadra & Nagar Haveli and
Daman & Diu

Sd/–
(**Jatin Goyal**)
Director-cum-Deputy Secretary (Pers-II)

**U.T. Administration of Dadra & Nagar Haveli and Daman & Diu,
Office of the Executive Engineer,
Electricity Department,
220/66 KV Magarwada Sub Station,
Daman**

NOTIFICATION

No. ED/EE/TECH-PA/2021-22/23090

Dated :- 14/12/2021

**Sub:- Declaration of 220/66 KV Sub-station, Ringanwada, Nani Daman as
Prohibited Area under Indian Official Secrets Act, 1923.**

Whereas in the opinion of the UT Administration of Dadra & Nagar Haveli and Daman & Diu, it is necessary to declare of 220/66 KV Sub-station at Ringanwada, Nani Daman as specified below to be "Prohibited Place" under the Sub-clause (d) of Clause (8) of section-2 of the official Secrets Act, 1923 (central Act XIX of 1923), on the ground that information with respect thereto, or the destruction or obstruction thereof, or interference there with, would be useful to an enemy;

And, whereas the Official Secrets Act, 1923 has been extended to the UT Administration of Goa, Daman & Diu on promulgation of the Goa, Daman & Diu (Laws) Regulation, 1962, and Goa, Daman & Diu (Laws) Regulation, 1963.

And, Whereas, as provide under clause (b) of Sub-section (1) of the section-6 Goa, Daman & Diu (Laws) of the ibid of 1962 and Clause (b) of Sub-Section 7 of the Goa, Daman & Diu (Laws) Regulation of 1963, "any reference to the State Government shall be construed as a reference to the

Central Government and also as including a reference to the Lieutenant Governor” i.e, the Administrator of Goa, Daman & Diu.

Now, therefore, in exercise of the power conferred by sub-clause (d) of clause (8) of section-2 of the Official Secrets Act 1923 (Central Act XIX of 1923), the Administrator, UT of Dadra & Nagar Haveli and Daman and Diu hereby declares, with effect on and from the date of publication of notification in the Official Gazette of the Daman & Diu, that the 220/66 KV Sub-station at Ringanwada Nani Daman as specified in the schedule below to be "Prohibited Place" for the purpose of the India Official Secrets Act, 1923 (Central Act XIX of 1923).

THE SCHEDULE

Name of the Place (1)	Area with description (2)	Boundary Particulars (3)
220/66 KV Sub-Station at Ringanwada, Nani Daman	Name of the Village : Ringanwada Name of the District : Daman Survey No :- 1) 19/1 to 2 2) 20/1 to 20/8 3) 21/1 to 21/7 4) 22 5) 23/1 to 23/3 6) 24/1 to 24/7 7) 25/1 to 25/4 8) 27/1 to 27/4 9) 28/1 to 28/8 10) 29/1 to 29/4 Total Area : 26,800 Sq. Mts.	<u>East Side :-</u> 1) Bearing Survey No. 16 Land Owner : Govt. Nala.
		<u>West Side :-</u> 1) Bearing Survey No. 18/9 Land Owner : Bipinchandra Bavabhai Patel and Ritaben Bipinchandra Patel.
		<u>North Side :-</u> 1) Bearing Survey No. 16 Land Owner : Bipinchandra Bavabhai Patel and Ritaben Bipinchandra Patel.
		<u>South Side :-</u> 1) Bearing Survey No. 26 Land Owner : Smashan 2) Bearing Survey No. 30 Land Owner : Smashan & Parsi Panch.

By order and in the name of the Administrator of Dadra & Nagar Haveli and Daman & Diu

Sd/-
(Mohit Mishra)
Deputy Secretary (Power)
DNH & DD

**UT ADMINISTRATION OF DADRA & NAGAR HAVELI AND DAMAN & DIU
DEPARTMENT OF ENVIRONMENT & FOREST,
SECRETARIAT, DAMAN**

No. PCC/DMN/13(Part VII)/2020-21/ 467

Dated: 18 / 12 / 2021

NOTIFICATION

WHEREAS, the Central Pollution Control Board has delegated the powers and functions to Pollution Control Committee, Dadra & Nagar Haveli and Daman & Diu vide Notification No. S.O. 862 (E) dated 26/11/1992. In pursuance of Clause (I) of Article 239 of the Constitution, the Hon'ble Administrator, Dadra & Nagar Haveli and Daman & Diu has been delegated to exercise the powers and discharge the functions of the Central Government under Section 5 of the Environment Protection Act, 1986 vide notification No. 667 (E) dated 10/09/1992 issued by the Government of India, Ministry of Home Affairs, New Delhi.

AND WHEREAS, in exercise of the powers conferred vide Notification No. 667 (E) dated 10/09/1992 of the Government of India, Ministry of Home Affairs under Section 5 of the Environment (Protection) Act, 1986, the UT Administration of Dadra & Nagar Haveli and Daman & Diu had notified a list of small-scale industries vide Notification No. 2/5/90-IND/263 dated 09/12/1994 to be called "Banned Industries". The industries mentioned in the banned list were not permitted to be established to protect the fragile ecosystem of the Union Territory. On the basis of the objections and suggestions received by the Pollution Control Committee, Daman, Diu and Dadra & Nagar Haveli within 30 days after the list of "Banned Industries" were published in the local Gazette vide No. PCC/DMN/13/95-96/1831 dated 5/12/1995, the list of the banned industries referred herein was amended vide Notification No. PCC/DMN/10/96-97/354 dated 13/05/1996 and a fresh list of the "Banned Industries" was published.

AND WHEREAS, to facilitate regulated industrial growth of non-polluting industries and to ensure environmental protection of the Union Territory, it was decided to classify the industries depending upon their Effluent Discharge, Emission into Ambient Air, Generation of Hazardous and Solid Wastes, Foul Odours and Noise Pollution, Hazard and Explosion potential and Public safety and health. Therefore, in supersession of all earlier notifications in this regard, the industries were classified into White, Green, Orange and Red / Banned separately as Schedule I, II, III & IV respectively vide Notification No. PCC/DMN/13-III/1999-2000/22 dated 03/05/1999 including incorporation of the consent fees to be charged by the Pollution Control Committee, Daman & Diu and Dadra & Nagar Haveli for grant of Consent to Establish / Operate / Renewal for all industries separately under the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981. The said notification was further amended vide Notification No. PCC/DMN/13-III/07-08/523 dated 17/12/2007 to the extent that, existing units under Category (IV) were allowed to modernize / expand / enhance production capacity / establish additional facility to improve efficiency / productivity with incidental

capacity increase including certain amendments in the industrial activities mentioned at S.No.29 of Schedule (IV) ii and S.No.43 of Schedule (IV) iii.

AND WHEREAS, the UT Administration of Dadra & Nagar Haveli and Daman & Diu further re-categorized all the industries located in the Union Territory into Category-I, Category- II and Category – III vide Notification No. PCC/DMN/13-(Part IV)/98-99/2014-15/1199 dated 09/10/2015 including banning of certain activities under Category-I and Category-II industries for establishment and expansion. This was amended vide Notification No. PCC/DMN/13-III (Part-V) 98-99/07-08/15-16/17-18/7 dated 11/02/2018 to the extent that the expansion / modernization of the existing banned category of industries in the Union Territory would be considered on case-to-case basis in compliance of various norms of the Pollution Control Committee, Central Pollution Control Board and Ministry of Environment, Forest and Climate Change in non-ecologically sensitive areas.

AND WHEREAS, in pursuance of the directions issued by the Central Pollution Control Board vide letter No. B-29012/ESS(CPA)/2015-16 dated 07/03/2016 addressed to all the State Pollution Control Boards / Pollution Control Committees, the UT Administration of Dadra & Nagar Haveli and Daman & Diu had issued revised list of industrial sectors / projects for the purpose of consent management and inventorization of industries into RED / ORANGE / GREEN / WHITE categories (as Annexure I to IV) vide Notification No. PCC/DMN/13(Part VI)/2020-21/448 dated 25/01/2021 under the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981.

AND WHEREAS, the UT Administration of Dadra & Nagar Haveli and Daman & Diu in view of the pollution potential, technology available for effective mitigation, clean energy requirement, promotion of emission reductions for clean environment had further allowed five industrial activities for establishment and operations in the Union Territory vide Notification No. PCC/DMN/13 (Part VI)/2020-21/164 dated 07/07/2021.

NOW THEREFORE, in supersession of all the earlier notifications issued in this regard, the UT Administration of Dadra & Nagar Haveli and Daman & Diu hereby notifies categorization of industrial sectors / projects under **RED** as **Annexure-I**, **ORANGE** as **Annexure-II**, **GREEN** as **Annexure-III** and **WHITE** as **Annexure-IV** categories along with the details as to whether such industrial activities are Banned / Allowed (Establishment / Expansion / Modernization) in the Union Territory of Dadra & Nagar Haveli and Daman & Diu. While the Consent Fees for Industries & Hotels have been revised and mentioned at **Schedule-I**, Fees for Conducting Public Hearing & granting Authorization under Biomedical Management Rules, 2016 have been mentioned at **Schedule - II**.

By order and in the name of
Administrator of Dadra & Nagar Haveli
and Daman & Diu.

Sd/-
(Ashish Mohan)
Joint Secretary,
Environment & Forests,
Dadra & Nagar Haveli and Daman & Diu

RED CATEGORY

Preamble:

- 1) All those industries which are considered to be highly polluting and use - Toxic, Corrosive, Hazardous, Obnoxious Chemicals, materials & products and highly inflammable materials in their manufacturing processes are included in the RED category of Industries. This list also includes those industries / manufacturing processes / products which may endanger public health, safety and environment.
- 2) All industries under this category needs frequent and close monitoring.
- 3) The entrepreneurs are required to make separate applications under the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 for obtaining consent from the Pollution Control Committee, DNH & DD.
- 4) All the industries falling under this category must have full-fledged Effluent Treatment Plant (ETP) and Air Pollution Control Devices (APCDs) provided with separate energy / electricity meter and must engage qualified personnel to operate such installations. They should also provide Water / Flow meters at the inlet / outlet of the ETP and necessary Sampling and Monitoring Facilities as required under various Environmental Acts / Rules and shall submit Analysis Test Report for every quarter.
- 5) Industry / Industrial Activity not covered under RED Category but having coal fired boiler with steam generation capacity more than 5 Tons per Hour will be covered under RED Category.
- 6) They are required to submit an Environmental Statement for the financial year ending 31st March in Form – V of the Environment (Protection) Rules, 1986 on or before 15th May of every year and Environmental Audit Report every two years ending on 31st March of that year on or before 15th May of every two years.
- 7) If any industry produces / uses Hazardous Waste in their manufacturing process, they are required to take authorization to collect, treat, store, transport and dispose the same in compliance with the provisions of Hazardous Waste (Management, Handling & Transboundary Movement) Rules, 2008, as amended from time to time, wherever applicable. They are also required to make necessary arrangements to store solid wastes and must also comply with the Provisions of Manufacture, Storage, Import of Hazardous Chemicals Rules, 1989.
- 8) If any industry uses any chemical listed in Schedule – I, II, & III of Manufacture, Storage, Import of Hazardous Chemicals Rules, 1989, they must follow the provisions of the said Rule.
- 9) All major water consuming industries are required to obtain permission from the concerned authorities to tap ground / surface water and accordingly pay Water Cess in

accordance with the Water (Prevention & Control of Pollution) Cess Act, 1977 and Water (Prevention & Control of Pollution) Cess Rules, 1978, as amended from time to time.

10) Industrial Activities allowed / banned under this category in the territory of DNH & DD have been enlisted below. The list annexed to this Category is not exhaustive but only representative in nature.

11) Any application for expansion / modernisation in case of industries that are banned for establishment shall be considered on case-to-case basis in compliance of various norms of PCC DNH & DD, CPCB and MoEF & CC in non-ecologically sensitive areas with respect to the industries marked with “#”.

Annexure-I

Sl. No.	Activity	Allowed / Banned
1.	Isolated storage of hazardous chemicals (as per schedule of manufacturing, storage of hazardous chemicals rules ,1989 as amended)	Banned
2.	Automobile Manufacturing (integrated facilities) with ZLD System	Allowed
3.	Industries engaged in recycling /reprocessing/ recovery/reuse of Hazardous Waste under schedule IV of HW (M, H& TBM) rules, 2008 - Items namely - Spent cleared metal catalyst containing copper, spent cleared metal catalyst containing zinc	Allowed
# 4.	Manufacturing of lubricating oils, grease and petroleum-based products	Banned
5.	DG Set of capacity > 5 MVA	Banned
6.	Industrial carbon including electrodes and graphite blocks, activated carbon, carbon black	Banned
7.	Lead acid battery manufacturing (excluding assembling and charging of lead acid battery in micro scale)	Banned
8.	Phosphate rock processing plant	Banned
9.	Power generation plant [except Wind and Solar renewable power plants of all capacities and Mini Hydrel power plant of capacity less than 25MW]	Banned
10.	Industries engaged in recycling / reprocessing/ recovery/reuse of Hazardous Waste under schedule IV of HW (M, H& TBM) rules, 2008 - Items namely - Spent catalyst containing nickel, cadmium, Zinc, copper, arsenic, vanadium and cobalt.	Allowed
11.	Processes involving chlorinated hydrocarbons	Banned
12.	Sugar (excluding Khandsari)	Banned
13.	Fibre glass production and processing (excluding moulding)	Banned
14.	Firecracker manufacturing and bulk storage facilities	Banned
15.	Industries engaged in recycling / reprocessing/ recovery/reuse	

	of Hazardous Waste under schedule IV of HW (M, H& TBM) rules, 2008 - Items namely - Dismantlers Recycling Plants - Components of waste electrical and electronic assemblies comprising accumulators and other batteries included on list A, mercury-switches, activated glass cullets from cathode-ray tubes and other activated glass and PCB-capacitors, or any other component contaminated with Schedule 2 constituents (e.g. cadmium, mercury, lead, polychlorinated biphenyl) to an extent that they exhibit hazard characteristics indicated in part C of this Schedule.	Allowed
16.	Milk processes and dairy products (integrated project)	Allowed
17.	Phosphorous and its compounds	Banned
18.	Pulp & Paper (wastepaper based without bleaching process to manufacture Kraft paper)	Banned
19.	Coke making, liquefaction, coal tar distillation or fuel gas making	Banned
20.	Manufacturing of explosives, detonators, fuses including management and handling activities	Banned
# 21.	Manufacturing of paints varnishes, pigments and intermediate (excluding blending/mixing)	Banned
# 22.	Organic Chemicals manufacturing	Banned
23.	Airports and Commercial Air Strips having discharge more than 100 KLD.	Allowed
# 24.	Asbestos and asbestos based industries	Banned
# 25.	Basic chemicals and electro chemicals and its derivatives including manufacturing of acid.	Banned
26.	Cement	Banned
27.	Chlorates, per-chlorates & peroxides	Banned
28.	Chlorine, fluorine, bromine, iodine and their compounds	Banned
29.	Dyes and Dye- Intermediates	Banned
30.	Health-care Establishment (as defined in BMW Rules) (with incinerator) having wastewater generation more than 100 KLD.	Allowed
31.	Hotels having overall wastewater generation @ 100 KLD and more.	Allowed
32.	Industries engaged in recycling / reprocessing/ recovery/reuse of Hazardous Waste under schedule IV of HW (M, H& TBM) rules, 2008 -Items namely - Lead acid battery plates and other lead scrap/ashes/residues not covered under Batteries (Management and Handling) Rules, 2001. [* Battery scrap, namely: Lead battery plates covered by ISRI, Code word "Rails" Battery lugs covered by ISRI, Code word "Rakes". Scrap drained/dry while intact, lead batteries covered by ISRI, Code word "rains"].	Allowed

33.	Industries engaged in recycling / reprocessing/ recovery/reuse of Hazardous Waste under schedule IV of HW(M, H& TBM) rules, 2008 - Items namely - Integrated Recycling Plants-Components of waste electrical and electronic assemblies comprising accumulators and other batteries included on list A, mercury switches, activated glass cullets from cathode-ray tubes and other activated glass and PCB-capacitors, or any other component contaminated with Schedule 2 constituents (e.g. cadmium, mercury, lead, polychlorinated biphenyl) to an extent that they exhibit hazard characteristics indicated in part C of this Schedule.	Allowed
34.	Manufacturing of glue and gelatine	Banned
35.	Mining and ore beneficiation	Banned
36.	Nuclear power plant	Banned
37.	Pesticides (technical) (excluding formulation)	Banned
38.	Photographic film and its chemicals	Banned
39.	Railway locomotive workshop / Integrated Road transport workshop / Authorized service centres	Allowed
# 40.	Yarn / Textile processing involving any effluent/emission generating processes including bleaching, dyeing, printing and colouring	Banned
41.	Chlor Alkali	Banned
42.	Ship Breaking Industries	Banned
43.	Oil and gas extraction including CBM (offshore & onshore extraction through drilling wells)	Allowed
44.	Industry or process involving metal surface treatment or process such as pickling/ electroplating/ paint stripping/ heat treatment using cyanide bath/ phosphating or finishing and anodizing / enamellings/ galvanizing	Allowed
45.	Tanneries	Banned
46.	Ports and harbour, jetties and dredging operations	Allowed
# 47.	Synthetic fibres including rayon, tyre cord, and polyester filament yarn.	Banned
48.	Thermal Power Plants	Banned
49.	Slaughterhouse (as per notification S.O.270(E) dated 26.03.2001) and meat processing industries, bone mill, processing of animal horn, hoofs and other body parts	Banned
50.	Aluminium Smelter	Banned
51.	Copper Smelter	Banned
52.	Fertilizer (basic) (excluding formulation)	Banned
53.	Iron & Steel (involving processing from ore/ integrated steel plants) and or Sponge Iron units	Banned

54.	Pulp & Paper (wastepaper-based units with bleaching process to manufacture writing & printing paper)	Banned
55.	Zinc Smelter	Banned
56.	Oil Refinery (mineral Oil or Petro Refineries)	Banned
57.	Petrochemicals Manufacturing (including processing of Emulsions of oil and water)	Banned
58.	Pharmaceuticals (excluding formulation)	Banned
59.	Pulp & Paper (Large-Agro + wood), Small Pulp & Paper (agro based-wheat straw/rice husk)	Banned
60.	Distillery (molasses / grain / yeast based)	Banned
61.	Railway Stations (wastewater generation \geq 100 KLD)	Allowed
R-01	Synthetic detergents and soaps (excluding formulation) having wastewater generation more than 100 KLD.	Banned
R-02	Automobile servicing, repairing and painting (excluding only fuel dispensing) if the wastewater generation is more than 100 KLD.	Allowed
R-03	Building and construction project more than 20,000 sq. m built up area, after construction having wastewater discharge more than 100 KLD.	Allowed
R-04	Ceramics and Refractories having coal consumption is more than 12 MT/Day.	Banned
R-05	Fermentation industry including manufacture of yeast, beer, distillation of alcohol (Extra Neutral Alcohol) having wastewater discharge is more than 100 KLD.	Banned
# R-06	Ferrous and Non-ferrous metal extraction involving different furnaces through melting, refining, re-processing, casting and alloy making (more than 1 MT/Hour production).	Banned
# R-07	Lead metal extraction involving different furnaces through melting, refining, re-processing, casting and alloy making.	Banned
R-08	Induction furnace clubbed with AOD furnace.	Banned
R-09	Industry or processes involving foundry operations having capacity of 5 MT/Hr or more, or the coal or coke consumption will be more than 500 kg/hr.	Banned
R-10	Manufacturing of Lead Glass	Banned
R-11	Non - alcoholic beverages (soft drink) & bottling of non-alcoholic products having wastewater generation more than 100 KLD.	Allowed
R-12	Vegetable oil manufacturing including solvent extraction and refinery / hydrogenated oils having the wastewater generation is more than 100 KLD	Banned
R-13	Common Treatment and disposal facilities (CETP, TSDF, E-Waste recycling, CBMWTF, Effluent conveyance project, incinerators, MSW sanitary landfill sites.	Allowed
R-14	Sewage Treatment Plant having capacity of 100 KLD or more	Allowed

R-15	Pharmaceutical and R & D activities.	Banned
R-16	Parboiled Rice Mills having wastewater generation more than 100 KLD or fuel consumption more than 12 MTD or both.	Banned
# R-17	Industrial inorganic gases namely: - (a) Chemical gases: Acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine. (b) Hydrocarbon gases: Methane, ethane, propane.	Banned
R-18	Industrial Estates / Parks/ complexes / areas / export processing zones / SEZs / Biotech parks / leather complex.	Allowed
R-19	Heavy engineering including ship building (with investment on Plant & Machineries more than Rs. 10 crores)	Allowed
R-20	Manufacture of Lithium-Ion Battery	Allowed
R-21	Grain Based Distillery for production of Ethanol only for blending purpose with ZLD facility, in order to produce Ethanol Blended Petrol only	Allowed
R-22	Bottling of Alcoholic products having wastewater generation more than 100 KLD	Banned
R-23	Automobile manufacturing without ZLD system	Banned
R-24	Solvent/Acid recovery plant	Banned
R-25	Synthetic Detergent and Soap with formulation	Allowed
R-26	POY, PFY and FDY from ready polyester chips as raw material only, and not from basic raw material	Allowed

ORANGE CATEGORY

Preamble:

- 1) Industries which contribute to Water, Air and Noise Pollution as defined under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 and Noise Pollution (Regulation and Control) Rules, 2000, and have potential for generation of solid and hazardous wastes are classified as ORANGE Category of Industries.
- 2) The Entrepreneurs are required to make separate applications under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 for obtaining consent from Pollution Control Committee, DNH & DD.
- 3) Since industries falling in ORANGE Category are required to establish Effluent Treatment Plant (ETP) / Sewage Treatment Plant (STP) and / or Air Pollution Control Devices (APCDs) and / or facility for safe disposal of Solid/ Hazardous wastes and/ or Compost pits, new units shall not generally be permitted in galas.
- 4) All industries falling under this category are required to provide separate energy/electricity meter to the ETP and APCD and should engage qualified personnel to operate such installations. They will also provide Water / Flow meters at inlet & outlet of ETP and necessary Sampling and Monitoring Facilities as required under various Environmental Acts / Rules and shall submit Analysis Test Report for every quarter.
- 5) They are required to submit an Environmental Statement for the financial year ending 31st March in the form V of the Environmental (Protection) Rules, 1986 on or before 15th May every year and Environmental Audit Report every 2 years ending on 31st March of that year on or before 15th May of every two years.
- 6) If any industry produces / uses Hazardous Waste in their manufacturing process, they are required to take Authorisation to collect, treat, store, transport and dispose the same in compliance with the provisions of Hazardous Wastes (Management, Handling & Trans-boundary Movement) Rules, 2008, as amended from time to time, wherever applicable. They are also required to make necessary arrangements to store solid wastes and will also comply with the Provisions of Manufacture, Storage, Import of Hazardous Chemical Rules, 1989.
- 7) All major water consuming industries are required to obtain permission from the concerned authorities to tap ground / surface water and accordingly pay Water Cess in accordance with the Water (Prevention and Control of Pollution) Cess Act, 1977 and Water (Prevention and Control of Pollution) Cess Rule, 1978, as amended from time to time.

- 8) Industrial Activities allowed / banned under this category in the territory of DNH & DD have been enlisted below. The list annexed to this Category is not exhaustive but only representative in nature.
- 9) Any application for expansion / modernisation in case of industries that are banned for establishment shall be considered on case-to-case basis in compliance of various norms of PCC DNH & DD, CPCB and MoEF & CC in non-ecologically sensitive areas with respect to the industries marked with “#”.

Annexure-II

Sl. No.	Activity	Allowed / Banned
1.	Dismantling of rolling stocks (wagons/ coaches)	Allowed
2.	Bakery and confectionery units with production capacity > 1 TPD. (With ovens / furnaces)	Allowed
3.	Chanachur and laddoo from puffed and beaten rice (muri and shira) using husk fired oven	Allowed
4.	Coated electrode manufacturing	Allowed
5.	Compact disc computer floppy and cassette manufacturing / Reel manufacturing	Allowed
6.	Flakes from rejected PET bottle	Allowed
7.	Food and food processing including fruits and vegetable processing	Allowed
8.	Jute processing without dyeing	Allowed
9.	Manufacturing of silica gel without furnace	Allowed
10.	Manufacturing of tooth powder, toothpaste, talcum powder and other cosmetic items (Nail polish, Deodorants & spray and Hair oil)	Allowed
11.	Printing or etching of glass sheet using hydrofluoric acid	Allowed
12.	Silk screen printing, sari printing by wooden blocks	Allowed
# 13.	Synthetic detergents and soaps (excluding formulation) having generation of wastewater less than 100 KLD	Banned
14.	Thermometer manufacturing	Banned
15.	Cotton spinning and weaving (medium and large scale)	Allowed
16.	Almirah, Grill Manufacturing (Dry Mechanical Process)	Allowed
17.	Aluminium & copper extraction from scrap using oil fired furnace (dry process only)	Allowed
18.	Automobile servicing, repairing and painting (excluding only fuel dispensing) having wastewater generation is less than 100 KLD	Allowed
19.	Ayurvedic and homeopathic medicine	Allowed
20.	Brickfields (excluding fly ash brick manufacturing using lime process)	Allowed
21.	Building and construction project more than 20,000 sq. m built up area (if the wastewater discharge is less than 100 KLD)	Allowed

22.	Ceramics and Refractories having coal consumption less than 12 MT/day	Banned
23.	Coal washeries	Banned
24.	Dairy and dairy products (small scale)	Allowed
25.	DG set of capacity >1MVA but < 5MVA	Allowed
26.	Dry coal processing, mineral processing, industries involving ore sintering, pelletising, grinding & pulverization	Banned
27.	Fermentation industry including manufacture of yeast, beer, distillation of alcohol (Extra Neutral Alcohol) having wastewater discharge less than 100 KLD	Banned
# 28.	Ferrous and Non-ferrous metal extraction involving different furnaces through melting, refining, re-processing, casting, alloy making (excluding Lead) and production up to 1 MT/Hr.	Banned
29.	Fertilizer (granulation / formulation / blending only)	Allowed
30.	Fish feed, poultry feed and cattle feed	Allowed
31.	Fish processing and packing (excluding chilling of fishes)	Allowed
32.	Forging of ferrous and non-ferrous metals (using oil and gas fired furnaces)	Allowed
33.	Formulation/ pelletization of camphor tablets, naphthalene balls from camphor/ naphthalene powders	Allowed
34.	Glass ceramics, earthen potteries and tile manufacturing using oil and gas fired kilns, coating on glasses using cerium fluorides and magnesium fluoride etc.	Banned
35.	Gravure printing, digital printing on flex, vinyl	Allowed
36.	Heat treatment using oil fired furnace (without cyaniding)	Allowed
37.	Hot mix plants	Banned
38.	Hotels (< 3 star) or hotels having > 20 rooms and less than 100 rooms.	Allowed
39.	Ice cream	Allowed
40.	Industries engaged in recycling / reprocessing/ recovery/reuse of Hazardous Waste under schedule IV of HW (M, H& TBM) rules, 2008 - Items namely - Paint and ink Sludge/residues	Allowed
41.	Industries engaged in recycling / reprocessing/ recovery/reuse of Hazardous Waste under schedule IV of HW(M, H& TBM) rules, 2008 - Items namely - Brass Dross , Copper Dross, Copper Oxide Mill Scale, Copper Reverts, Cake & Residues, Waste Copper and copper alloys in dispersible form, Slags from copper processing for further processing or refining , Insulated Copper Wire, Scrap/copper with PVC sheathing including ISRI-code material namely "Druid", Jelly filled Copper cables, Zinc Dross-Hot dip Galvanizers SLAB,, Zinc Dross-Bottom Dross, Zinc ash/Skimming arising from galvanizing and die casting operations, Zinc ash/Skimming/other zinc bearing wastes arising from smelting and refining, Zinc ash and residues including zinc alloy residues in	Allowed

	dispersible form	
42.	Industry or processes involving foundry operations having capacity less than 5 MT/Hr or the coal/coke consumption is less than 500 MT/Hr	Banned
43.	Lime manufacturing (using lime kiln)	Banned
44.	Liquid floor cleaner, black phenyl, liquid soap, glycerol mono-stearate manufacturing	Allowed
45.	Manufacturing of glass	Banned
46.	Manufacturing of iodized salt from crude/ raw salt	Allowed
47.	Manufacturing of mirror from sheet glass	Allowed
48.	Manufacturing of mosquito repellent coil	Allowed
49.	Manufacturing of Starch/Sago	Banned
50.	Mechanized laundry using oil fired boiler	Allowed
51.	Modular wooden furniture from particle board, MDF < swan timber etc, Ceiling tiles / partition board from saw dust, wood chips etc., and other agricultural waste using synthetic adhesive resin, wooden box making (With boiler)	Allowed
52.	New highway construction project	Allowed
53.	Non-alcoholic beverages (soft drink) & bottling of non-alcoholic products having wastewater generation less than 100 KLD.	Allowed
54.	Paint blending and mixing (Ball mill)	Allowed
55.	Paints and varnishes (mixing and blending)	Allowed
56.	Ply-board manufacturing (including Veneer and laminate) with oil fired boiler/ thermic fluid heater (without resin plant)	Allowed
57.	Potable alcohol (IMFL) by blending, bottling of alcohol products	Banned
58.	Printing ink manufacturing	Banned
59.	Printing press	Allowed
60.	Reprocessing of waste plastic including PVC	Allowed
61.	Rolling mill (oil or coal fired) and cold rolling mill	Allowed
62.	Spray painting, paint baking, paint shipping	Allowed
# 63.	Steel and steel products using various furnaces like blast furnace / open hearth furnace / induction furnace / arc furnace / submerged arc furnace / basic oxygen furnace /hot rolling reheated furnace	Banned
64.	Stone crushers	Allowed
65.	Surgical and medical products including prophylactics and latex	Allowed
66.	Teflon based products	Allowed
67.	Thermocol manufacturing (with boiler)	Allowed
68.	Tobacco products including cigarettes and tobacco / opium processes	Banned
69.	Transformer repairing / manufacturing (dry process only)	Allowed
70.	Tyres and tubes vulcanization / hot retreating	Banned

71.	Vegetable oil manufacturing including solvent extraction and refinery / hydrogenated oils having wastewater generation less than 100 KLD	Banned
72.	Wire drawing and wire netting	Allowed
73.	Dry cell battery (excluding manufacturing of electrodes) and assembling & charging of acid lead battery on micro scale	Allowed
74.	Pharmaceutical formulation (For sustained release / extended release of drugs only and not for commercial purpose)	Allowed
75.	Synthetic resins	Banned
76.	Synthetic rubber excluding moulding	Banned
77.	Cashew nut processing	Banned
78.	Coffee seed processing	Allowed
79.	Parboiled Rice Mills having wastewater generation less than 100 KLD or fuel consumption less than 12 MT/Day	Banned
80.	Foam manufacturing	Allowed
81.	Industries engaged in recycling / reprocessing / recovery / reuse of Hazardous Waste under schedule IV of HW (M, H& TBM) rules, 2008 - Items namely Used Oil – As per specifications prescribed from time to time	Allowed
82.	Industries engaged in recycling / reprocessing/ recovery/reuse of Hazardous Waste under schedule IV of HW (M, H& TBM) rules, 2008 - Items namely - Waste Oil - As per specifications prescribed from time to time	Allowed
83.	Producer gas plant using conventional up drift coal gasification (linked to rolling mills glass and ceramic industry refectories for dedicated fuel supply)	Banned
84.	Railway Stations (Wastewater generation \geq 10 KLD, but < 100 KLD)	Allowed
85.	Scrapping centres (for End-of-life vehicles and other scraps such as plant and machineries, structural material, railway coaches and wagons, etc.)	Allowed
	a. Collection, de-pollution, dismantling centres and shredding centres.	
	b. Collection, de-pollution, dismantling centres	
	c. Shredding centres (can include white goods / other scraps also)	
86.	Compressed / refined Bio-gas production from Bio-degradable wastes	Allowed
87.	Dairy farm	Allowed
O-01	Railway locomotive workshop/Integrated Road transport workshop / Authorized service centres having wastewater generation less than 100 KLD	Allowed
O-02	Airports and Commercial Air Strips having discharge less than 100 KL	Allowed

O-03	Health-care Establishment (as defined in BMW Rules) having total wastewater generation less than 100 KLD and without incinerator	Allowed
O-04	Tea processing (with boiler)	Allowed
O-05	Manufacturing of pasted veneers using coal fired boiler or thermic fluid heater	Allowed
O-06	Manufacture of Pesticides / Insecticides / Fungicides / Algaecides / Herbicides / Agrochemical units by mixing and blending only and Manufacture of growth promoters, Nutrients regulators and granulation by mixing and blending only	Allowed
O-07	Enamels, thinners, polishes, lacquers, reducers, solvents and retarders by way of mixing and blending only	Allowed
O-08	Sewage Treatment Plant having capacity less than 100 KLD	Allowed
O-09	Manufacturing of ball bearings, nuts, bolts and screws	Allowed
O-10	Manufacturing of MS drums and containers	Allowed
O-11	Epoxy coating	Allowed
O-12	Alcoholic beverages & bottling of alcoholic products having wastewater generation less than 100 KLD.	Banned
O-13	Manufacturing of Katha & Kutch	Banned
O-14	Autoclaved Aerated Concrete (AAC) Blocks [Daily Fuel Consumption more than 12 MT/Day]	Allowed

GREEN CATEGORY

Preamble:

- 1) Industries which do not cause any significant Water and Air pollution as defined in Water (Prevention and Control of Pollution) Act, 1981 are classified under GREEN Category industries.
- 2) Under this category only the below mentioned capacities of installations / equipment / personnel are permitted. Any industry falling under GREEN Category, and which intends to use the below mentioned equipment / installation / personal exceeding the capacity mentioned against them shall fall under ORANGE Category:
 - a) Boiler- 600 Kgs/hr
 - b) Thermic Fluid Heater- 2 Lakh Kilo Calories/Hour.
 - c) Cooling Towers-6 TFR and
 - d) Total number of employees 100 persons.
- 3) All the Entrepreneurs are required to make separate applications under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 and other documents as per Checklist for obtaining consent from the Pollution Control Committee, DNH & DD.
- 4) Industries falling in GREEN Category, if required to establish Effluent Treatment Plant (ETP) / Sewage Treatment Plant (STP) and / or Air Pollution Control Devices (APCDs), should also install separate energy / electricity meters and should engage qualified personnel to operate such installations. They should also provide Water / Flow meters at inlet & outlet of ETP and necessary Sampling and Monitoring Facilities as required under various Environmental Acts / Rules and shall submit Analysis Test Report for every quarter.
- 5) If any industry produces Hazardous Waste in their manufacturing process, they are required to take Authorisation to collect, treat, store, transport and dispose the same in compliance with the provisions of Hazardous Wastes (Management, Handling & Transboundary Movement) Rules, 2008, as amended from time to time, wherever applicable. They are also required to make necessary arrangements to store solid wastes and will also comply with Provisions of Manufacture, Storage, Import of Hazardous Chemicals Rules, 1989.
- 6) They are required to submit an Environmental Statement for the financial year ending 31st March in the Form V of the Environmental (Protection) Rules, 1986 on or before 15th May every year and Environmental Audit Report every 2 years ending on 31st March of that year on or before 15th May of every two years.
- 7) All major water consuming industries are required to obtain permission from the concerned authorities to tap ground/surface water and accordingly pay Water Cess in

accordance with the Water (Prevention and Control of Pollution) Cess Rule, 1978, as amended from time to time.

- 8) The list annexed to this Category is not exhaustive but only representative in nature.

Annexure - III

Sl. No.	Activity	Allowed / Banned
1.	Aluminium utensils from aluminium circles by pressing only (dry mechanical operation)	Allowed
2.	Ayurvedic and homeopathic medicines (without boiler)	Allowed
3.	Bakery / confectionery / sweets products (with production capacity less than 1TPD) (with gas or electrical oven)	Allowed
4.	Bi-axially oriented PP film along with metalizing operations	Allowed
5.	Biomass briquettes (sun drying) without using toxic hazardous wastes	Allowed
6.	Blending of melamine resins & different powder, additives by physical mixing	Allowed
7.	Brass and bell metal utensils manufacturing from circles (dry mechanical operation without re-rolling facility)	Allowed
8.	Candy	Allowed
9.	Cardboard or corrugated box and paper products (excluding paper or pulp manufacturing and without using boilers)	Allowed
10.	Carpentry & wooden furniture manufacturing (excluding sawmill) with the help of electrical (motorized) machines such as electrical wood planner, steel saw cutting circular blade, etc.	Allowed
11.	Cement products (without using asbestos / boiler / steam curing) like pipe, pillar, jafri, well ring, block / tiles etc. (should be done in closed covered shed to control fugitive emissions)	Allowed
12.	Ceramic colour manufacturing by mixing & blending only (not using Boiler and wastewater recycling process)	Allowed
13.	Chilling plant, cold storage and ice making	Allowed
14.	Coke briquetting (sun drying)	Allowed
15.	Cotton spinning and weaving (small scale)	Allowed
16.	Dal Mills	Allowed
17.	Decoration of ceramic cups and plates by electric furnace	Allowed
18.	Digital printing on PVC clothes	Allowed
19.	Facility of handling, storage and transportation of food grains in bulk	Allowed
20.	Flour mills (dry process)	Allowed

21.	Glass, ceramic, earthen potteries, tile and tile manufacturing using electrical kiln or not involving fossil fuel kiln	Allowed
22.	Glue from starch (physical mixing) with gas / electrically operated oven / boiler.	Allowed
23.	Gold and silver smithy (purification with acid smelting operation and sulphuric acid polishing operation) (using less or equal to 1 litre of sulphuric acid / nitric acid per month)	Allowed
24.	Heat treatment with any of the new technology like ultrasound probe, induction hardening, ionization beam, gas carburizing etc.	Allowed
25.	Insulation and other coated papers (excluding paper or pulp manufacturing)	Allowed
26.	Leather footwear and leather products (excluding tanning and hide processing except cottage scale)	Allowed
27.	Lubricating oil, greases or petroleum-based products (only blending at normal temperature)	Allowed
28.	Manufacturing of pasted veneers using gas fired boiler or thermic fluid heater and by sun drying	Allowed
29.	Oil mill Ghani and extraction (no hydrogenation/ refining)	Allowed
30.	Packing materials manufacturing from non-asbestos fibre, vegetable fibre yarn	Allowed
31.	Phenyl / toilet cleaner formulation and bottling	Allowed
32.	Polythene and plastic processed products manufacturing (virgin plastic)	Allowed
33.	Poultry, Hatchery and Piggery	Allowed
34.	Power looms (without dye and bleaching)	Allowed
35.	Puffed rice (muri) (using gas or electrical heating system)	Allowed
36.	Pulverization of bamboo and scrap wood	Allowed
37.	Ready mix cement concrete	Allowed
38.	Reprocessing of waste cotton	Allowed
39.	Rice mill (Rice hullers only)	Allowed
40.	Rolling mill (gas fired) and cold rolling mill	Allowed
41.	Rubber goods industry (with gas operated baby boiler)	Allowed
42.	Sawmills	Banned
43.	Soap manufacturing (hand made without steam boiling / boiler)	Allowed
44.	Spice grinding (up to 20 H.P. motor)	Allowed
45.	Spice grinding (> 20 H.P. motor)	Allowed
46.	Steel furniture without spray painting	Allowed
47.	Steeping and processing of grains	Allowed

48.	Tyres and tube retreating (without boilers)	Allowed
49.	Chilling plant and ice making without using ammonia	Allowed
50.	CO2 recovery	Allowed
51.	Distilled water (without boiler) with electricity as source of heat	Allowed
52.	Hotels (up to 20 rooms and without boilers)	Allowed
53.	Manufacturing of optical lenses (using electrical furnace)	Allowed
54.	Mineralized water	Allowed
55.	Tamarind powder manufacturing	Allowed
56.	Cutting, sizing and polishing of marble stone	Allowed
57.	Emery powder (fine dust of sand) manufacturing	Allowed
58.	Fly ash export, transport & disposal facilities	Banned
59.	Mineral stack yard / Railway sidings	Allowed
60.	Oil and gas transportation pipeline	Allowed
61.	Seasoning of wood in steam heated chamber	Allowed
62.	Synthetic detergent formulation	Allowed
63.	Tea processing (without boiler)	Allowed
64.	Railway station (Wastewater generation <10 KLD)	Allowed
65.	Gaushalas	Allowed
G-01	Modular wooden furniture from particle board, MDF swan timber etc., Ceiling tiles / partition board from saw dust, wood chips etc., and other agricultural waste using synthetic adhesive resin, wooden box making (Without boiler)	Allowed
G-02	Automobile fuel outlets (only dispensing) (exempted from obtaining consent)	Allowed
G-03	Power-looms, knitting, jacquard knitting, circular knitting & weaving	Allowed
G-04	Textile products such as Readymade garments, Apparel Making (Raincoat) and embroidery (Excluding Dyeing, Washing, Bleaching or any Chemical / Wet Processes) Handy crafts, Gold and Silver Zari Thread and Lace work	Allowed
G-05	Yarn Texturizing / crimping / twisting units (without dyeing)	Allowed
G-06	Photographic and other films and paper – by way of cutting, sprocketing, slitting and packing (only from readymade rolls/sheets)	Allowed
G-07	Cork sheet	Allowed
G-08	Diesel Generator Sets (15 KVA to 1 MVA)	Allowed
G-09	Autoclaved Aerated Concrete (AAC) Blocks [Daily Fuel Consumption less than 12 MT/Day]	Allowed

WHITE CATEGORY

Preamble:

- 1) Consent to establish is a must for white category industries. However, consent to operate shall not be necessary and only intimation to that effect shall suffice.

Annexure - IV

Sl. No.	Activity
1.	Assembly of air coolers / conditioners, repairing and servicing
2.	Assembly of bicycles, baby carriages and other small non motorizing vehicles
3.	Bailing (hydraulic press) of waste papers
4.	Bio fertilizer and bio-pesticides without using inorganic chemicals
5.	Biscuits trays etc. from rolled PVC sheet (using automatic vacuum forming machines)
6.	Blending and packing of tea
7.	Block making of printing without foundry (excluding wooden block making)
8.	Chalk making from plaster of Paris (only casting without boilers etc. (sun drying / electrical oven)
9.	Compressed oxygen gas from crude liquid oxygen (without use of any solvents and by maintaining pressure & temperature only for separation of other gases)
10.	Cotton and woollen hosiery making (Dry process only without any dyeing / washing operation)
11.	Diesel pump repairing and servicing (complete mechanical dry process)
12.	Electric lamp (bulb) and CFL manufacturing by assembling only
13.	Electrical and electronic item assembling (completely dry process) and musical instruments manufacturing
14.	Engineering and fabrication units (dry process without or any heat treatment / metal surface finishing operations / painting)
15.	Flavoured betel nuts production / grinding (completely dry mechanical operations)
16.	Fly ash bricks / block manufacturing
17.	Fountain pen manufacturing by assembling only
18.	Glass ampules and vials making from glass tubes
19.	Glass putty and sealant (by mixing with machine only)
20.	Ground nut decorticating
21.	Handloom/ carpet weaving (without dyeing and bleaching operation)
22.	Leather cutting and stitching (more than 10 machine and using motor)
23.	Manufacturing of coir items from coconut husks
24.	Manufacturing of metal caps containers etc.
25.	Manufacturing of shoe brush and wire brush

26.	Medical oxygen
27.	Organic and inorganic nutrients (by physical mixing)
28.	Organic manure (manual mixing)
29.	Packing of powdered milk
30.	Paper pins and u clips
31.	Repairing of electric motors and generators (dry mechanical process)
32.	Rope (plastic and cotton)
33.	Scientific and mathematical instrument manufacturing
34.	Solar module non-conventional energy apparatus manufacturing unit
35.	Solar power generation through solar photovoltaic cell, wind power and mini hydel power (less than 25 MW)
36.	Surgical and medical products assembling only (not involving effluent / emission generating processes)
37.	Used cooking oil (UCO) collection centres
(W-01)	Agarbatti
(W-02)	Umbrella (tailoring & sealing)
(W-03)	Handicrafts
(W-04)	Wax candles
(W-05)	Almirah, Grill Manufacturing (Dry mechanical process) (without painting)

Schedule - I**Revision in Consent Fees**

CONSENT FEE TO BE CHARGED BY THE POLLUTION CONTROL COMMITTEE, DNH & DD FOR GRANT OF CONSENT TO ESTABLISH / OPERATE / RENEWAL FOR ALL INDUSTRIES / HOTELS UNDER WATER (PREVENTION AND CONTROL OF POLLUTION) ACT, 1974 AND AIR (PREVENTION AND CONTROL OF POLLUTION) ACT, 1981.

The Consent Fee structure is applicable to the industries mentioned under RED, ORANGE, GREEN & WHITE Category depending upon the capital investment (which is construed to include land, building, plant and machineries without depreciation) is furnished below:

I. For Industries:

Sl. No.	Capital Investment (In Rs.)	Consent fee (to be paid separately) per year for Establish / Operate / Renewal under Water Act, 1974 and Air Act, 1981 (In Rs.)
1.	100 Cr. and above	1,50,000
2.	50 to 100 Cr.	90,000
3.	10 to 50 Cr.	60,000
4.	5 to 10 Cr.	15,000
5.	1 to 5 Cr.	7,500
6.	60 Lakhs to 1 Cr.	3,000
7.	10 Lakhs to 60 Lakhs	1,500
8.	Below 10 Lakhs	300

II. For Hotels:

Sl. No.	Capital Investment (In Rs.)	Consent fee (to be paid separately) per year for Establish / Operate / Renewal under Water Act, 1974 and Air Act, 1981 (In Rs.)
1.	100 Cr. and above	50,000
2.	50 to 100 Cr.	30,000
3.	25 to 50 Cr.	20,000
4.	10 to 25 Cr.	15,000
5.	5 to 10 Cr.	10,000
6.	1 Cr. To 5 Cr.	5,000
7.	Up to 1 Cr.	2,000

Schedule – II**Fees for:****I. Conducting Public Hearing:**

Sl. No.	Capital Investment (In Rs.)	Fees (In Rs.)
1.	Projects having a capital investment of Rs.50 Cr. or more	1,00,000
2.	Projects having a capital investment of more than 10 Cr. but less than Rs.50 Cr.	75,000
3.	Projects having a capital investment of less than 10 Cr.	50,000

II. Granting Authorization under Biomedical Waste Management Rules, 2016:

Sl. No.	Conditions	Fees (In Rs.)
1.	Clinics / Dispensaries without beds	1,000
2.	Healthcare facilities having less than 50 beds	3,000
3.	Healthcare facilities having more than 50 beds but more than 200 beds	5,000
4.	Healthcare facilities having more than 200 beds	10,000

**UT Administration of Dadra and Nagar Haveli and Daman and Diu
Office of the Joint Secretary (PRI/RD), DNH and DD
Dholar, Moti Daman – 396220**

Email: ceodp-dmn-dd@nic.in | Office Tel: 0260 – 2231059

No.JS/PRI/DMN/SWM-Laws/2021-22/513

Dated:- 24.12.2021

NOTIFICATION

In exercise of the powers conferred by Section 122 of the Dadra and Nagar Haveli and Daman and Diu Panchayat Regulation, 2012 (No. 5 of 2012) read with Rule 15 clauses (e), (f) and (zf) of the Solid Waste Management Rules, 2016 made by Government of India, Ministry of Environment, Forest and Climate Change under the provisions of the Environment (Protection) Act, 1986 (29 of 1986), Secretary Panchayat, with prior approval of the Administrator, Dadra and Nagar Haveli and Daman and Diu do hereby publishes following draft of bye-laws for information of all concerned. Notice is hereby given that any suggestion / objection on the draft bye laws can be submitted to the Office of the Joint Secretary (PRI), UT Administration of Dadra and Nagar Haveli and Daman and Diu, District Panchayat, Daman, Dholar, Moti Daman before the expiry of the period of 15 days from the date of publication of this notification in the Official Gazette.

Any objection or suggestion which may be received by the Joint Secretary (PRI) from any person in respect of the said draft before the expiry of the period so specified will only be considered by him.

**The Dadra and Nagar Haveli and Daman and Diu District /Gram Panchayat Solid
Waste (Handling and Management) Bye-Laws, 2021**

CHAPTER — I

GENERAL

1. Short Title and Commencement: (1) These bye-laws may be called as **The Dadra and Nagar Haveli and Daman and Diu District /Gram Panchayat Solid Waste (Handling and Management) Bye-Laws, 2021.**

(2) It shall come into force on the date of Publication in the Official Gazette of UT of Dadra and Nagar Haveli and Daman and Diu.

2. **Applicability:** These bye-laws shall apply to every domestic, institutional, industrial, commercial and other non residential solid waste generators within the District /Gram Panchayat area of UT Administration of Dadra and Nagar Haveli and Daman and Diu (hereinafter referred to as the District /Gram Panchayat).

3. **Definitions:**

In this Bye-Law, unless the context otherwise requires the following words shall have meaning herein defined: -

- 3.1. **"Aangan"/premises/place** means the public place in front of, or adjacent on any side of any premises, extending to the road, kerb side including the footpath kerb, drain, nala, plot or premises;
- 3.2. **"Administrator"** means the Administrator of Union Territory of Dadra and Nagar Haveli and Daman and Diu appointed by President of India under article 234 constitution;
- 3.3. **"Aerobic composting"** means a controlled process involving microbial decomposition/breaking down of organic matter in the presence of oxygen;
- 3.4. **"Agency/Agent"** means any entity/person appointed or authorized by District /Gram Panchayat to act on its behalf, for discharge of duties or functions i.e. sweeping of streets, collection of waste, collection of charges / fines, and other such delegated responsibilities etc.;
- 3.5. **"Anaerobic digestion"** means a controlled process involving microbial decomposition/ breaking down of organic matter in absence of oxygen;
- 3.6. **"Authorization"** means the permission given by the State Pollution Control Board or Pollution Control Committee, as the case may be, to the operator of a facility or local authority, or any other agency responsible for processing and disposal of solid waste;
- 3.7. **"Banned Items"** means any item including but not limited to non-bio degradable plastics of any kind, poisonous spray or other aerosols which have adverse effects on environment supported by scientific study or common perception or any kind of synthetic or natural occurring materials having proven adverse effects on environment if exposed or may contaminate flora or fauna causing irreversible damage;

- 3.8. **"Bio-degradable waste"** means any organic material that can be degraded by microorganisms into simpler stable compounds; for example the waste of plant and animal origin e.g. kitchen waste, food and flower waste, leaf litter, garden waste, animal dung, fish/meat waste and any other material that gets degraded/decomposed by the action of microorganisms;
- 3.9. **"Bio-medical waste"** means any waste, which is generated during the diagnosis, treatment or immunization of human beings or animals or in research activities pertaining thereto or in the production or testing of biological, and including categories mentioned in **Schedule IV** of the Bye-laws;
- 3.10. **"Bio-methanation"** means a process which entails enzymatic decomposition/ breaking down of the organic matter by microbial action to produce methane-rich biogas;
- 3.11. **"Brand owner"** means a person or company who sells any commodity under a registered brand label;
- 3.12. **"Buffer zone"** means zone of no-development to be maintained around solid waste processing and disposal facility, exceeding 5 TPD of installed capacity. This will be maintained within the total area allotted for the solid waste processing and disposal facility;
- 3.13. **"Bulk Waste Generator"** means the owner, occupier or any other person representing owners and occupiers of House(s)/Flat(s), Group of Houses/Flats, housing society(s) / complex(s), Restaurant(s); Hotel(s), Market(s), industrial Estate(s) and Shopping Complex(s) / Mall(s) and includes buildings occupied by the Central Government, Departments or Undertakings, State Government Departments or Undertakings, Local Bodies, Public Sector Undertakings or Private Companies, Hospital(s), Nursing Home(s), School(s), College(s), University(s), Other Educational Institutions, Hostel(s), Hotel(s), Commercial Establishment(s), Places of Worship, Stadia and Sports complexes, clubs, gymkhanas, marriage halls, recreation/ entertainment complexes having an average waste generation rate exceeding 100kg per day; or any other establishment sources/premises that are specifically identified and notified by the District /Gram Panchayat to be so;
- 3.14. **"Bulk garden and horticultural waste"** means bulk waste from parks, gardens, traffic islands, road medians etc. including grass and wood clippings,

- weeds, woody 'brown' carbon-rich material such as pruning, branches, twigs, wood chipping, straw or dead leaves and tree trimmings, which cannot be accommodated in the daily collection system for biodegradable waste;
- 3.15. "Census town"** means an urban area as defined by the Registrar General and Census Commissioner of India;
- 3.16. "Chief Executive Officer"** means an officer appointed by Administrator as Chief Executive Officer, District Panchayat;
- 3.17. "Collection"** means lifting and removal of solid waste from designated collection points or any other location;
- 3.18. "Collection at Source"** means the collection of solid waste by District /Gram Panchayat directly from the premises of any building or common premises of a group of buildings. This is also referred to as "point to point collection";
- 3.19. "Combustible waste"** means non-biodegradable, non-recyclable, non-reusable, nonhazardous solid waste having minimum calorific value exceeding 1500 kcal/kg and excluding chlorinated materials like plastic, wood pulp, etc;
- 3.20. "Composting"** means a controlled process involving microbial decomposition/degradation/breaking down of organic matter including vermicomposting - which is a process of using earthworms for conversion of biodegradable waste into compost;
- 3.21. "Community Service"** means to serve the community by sweeping of road, cleaning of walls, tree guard portion etc.
- 3.22. "Contractor"** means a person or firm that undertakes a contract to provide materials or labour to perform a service or do a job for service providing authority;
- 3.23. "Construction and Demolition waste"** means waste from building materials, debris and such rubble resulting from construction, re-modeling, repair and demolition operations;
- 3.24. "Co-processing"** means use of non-biodegradable and non-recyclable solid waste having calorific value exceeding 1500 kcal as raw material or as a

- source of energy or both to replace or supplement the natural mineral resources and fossil fuels in industrial processes;
- 3.25. **"Decentralized processing"** means establishment of dispersed facilities for localized processing of biodegradable waste and recovery of recyclables closest to the source of generation so as to minimize transportation of waste for processing or disposal;
- 3.26. **"Delivery"** means handing over any category of solid waste to a District /Gram Panchayat worker or any other person appointed, authorized or licensed by the District /Gram Panchayat for taking delivery of such waste;
- 3.27. **"Director Panchayat"** means an Officer In charge of Panchayats in the Department of Panchayati Raj working under the direct control and Superintendence of the Secretary of that Department;
- 3.28. **"Disposal"** means the final and safe disposal of post-processed residual solid waste and inert street sweepings and silt from surface drains on land as specified in **Schedule I** to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds;
- 3.29. **"Domestic hazardous waste"** means discarded paint drums, pesticide cans, CFL bulbs, tube lights, medicines including expired medicines, broken mercury thermometers, batteries, used needles and syringes and contaminated gauge, etc., generated at the household level;
- 3.30. **"Door to door collection"** means collection of solid waste from the doorstep of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multi storied building or apartments, large residential, commercial or institutional complex or premises;
- 3.31. **"Door-to-Door collection system Panchayat vehicle"** means the bell-ringing or such vehicle (includes a carriage, cart, van, dray, truck, hand-cart, bicycle, cycle-rickshaw, auto-rickshaw, motor vehicle and every wheeled conveyance which is used or is capable of being used on a street) provided by District /Gram Panchayat or an agency authorized by District /Gram Panchayat for point to point collection of Solid Waste;

- 3.32. **"Drain"** Including a sewer, a house drain, a drain of any other description, a tunnel, a culvert, a ditch, a channel and any other device for carrying of sewage, offensive matter, polluted water, waste water, rain water or subsoil water;
- 3.33. **"Dry waste"** means waste other than bio-degradable waste and inert street sweepings and includes recyclable and non-recyclable waste, combustible waste and sanitary napkin and diapers, etc., and includes the category of solid waste;
- 3.34. **"Dry Waste Sorting Centre"** means any designated land, shed, kiosk, or structure located on any Panchayat or Government land or in a public space which is authorized to receive and sort dry waste;
- 3.35. **"Dump sites"** means a land utilized by local body for disposal of solid waste without following the principles of sanitary land filling;
- 3.36. **"Energy"** means the energy used for processing and those generated by the processing or in the clearing thereof or in the removal of such matter therefrom.
- 3.37. **"E-Waste"** means waste electrical and electronic equipment whole or in part or reject from their manufacturing and repair processes, which are intended to be discarded.
- 3.38. **"Extended producer responsibility" (EPR)** means responsibility of any producer of packaging products such as plastic, tin, glass and corrugated boxes, etc., for environmentally sound management, till end-of-life of the packaging products;
- 3.39. **"Facility"** means any establishment wherein the solid waste management processes namely segregation, recovery, storage, collection, recycling, processing, treatment or safe disposal are carried out;
- 3.40. **"Fine"** means penalty imposed on waste generators or operators of waste processing and disposal facilities under the bye-laws for non-compliance of the directions contained in these rules bye- laws;
- 3.41. **"Fuel"** means the energy consumed for the collection, transportation, processing and disposal of waste or generated as a bye product of processing in the form of solid, liquid or gas.
- 3.42. **"Fuel Charge"** incurred for the collection, transportation, processing and disposal of waste.

- 3.43. **"Garbage"** means Biodegradable waste resulting from the handling, storage, sale, preparation, cooking and serving of foods.
- 3.44. **"Gram Panchayat"** means a Gram Panchayat constituted under the Dadra and Nagar Haveli and Daman and Diu Panchayat Regulation 2012;
- 3.45. **"Gram Panchayat Solid Waste"** includes commercial and residential wastes generated in a Gram Panchayat or Notified Local Body in either Solid or Semi-Solid form excluding industrial hazardous waste but including properly and fully treated bio-medical waste as per applicable rules;
- 3.46. **"Generator of waste"** means any person generating solid waste within the limits of District /Gram Panchayat;
- 3.47. **"Handling"** includes all activities relating to sorting, segregation, material recovery, collection, secondary storage, shredding, baling, crushing, loading, unloading, transportation, processing and disposal of solid wastes;
- 3.48. **"Hazardous waste"** means any waste, which by reason of any of its physical, chemical, reactive, toxic - harm able, explosive or corrosive characteristics causes danger or is likely to cause danger to health or environment, whether alone or when in contact with other wastes or substances and shall include wastes specifically listed in **Schedule III** of these Bye-laws.
- 3.49. **"House-gully"/lane/Service Lane** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as a drain or of affording access to the latrine, urinal, cesspool or other receptacle for filthy or other polluted matter by persons employed in the removal of cleaning thereof or in the removal of such matters there from;
- 3.50. **"Incineration"** means an engineered process involving burning or combustion of solid waste to thermally degrade waste materials at high temperatures;
- 3.51. **"Inerts"** means wastes which are not bio-degradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains;
- 3.52. **"Inert Solid Waste"** means any solid waste or remnant of processing whose physical, chemical and biological properties make it suitable for sanitary land filling;

- 3.53. **"Informal waste collector"** includes individuals, associations or waste traders who are involved in collection, sorting, sale and purchase of recyclable materials;
- 3.54. **"Kutcha Houses"** means all the houseless and households living in 0,1 or 2 rooms with kutcha wall and kutcha roof;
- 3.55. **"Landfill"** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, windblown litter, bad odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion;
- 3.56. **"Leachate"** means the liquid that oozes and seeps through solid waste or other medium and has extracts of dissolved or suspended material from the media;
- 3.57. **"Litter"** means all refuse and other such waste material which, tends to create nuisance, dirt, insanitary conditions, ugliness and endangers cleanliness, public orderliness and movement, environment, public health, safety, life and welfare if dropped, thrown, scattered, deposited or left uncleaned or unpicked as against the prohibition under these Bye-laws;
- 3.58. **"Littering"** means carelessly spreading litter so that falls, descends, blown, seeps, percolates or otherwise escapes or is likely to fall, descend, blown, seep, percolate or otherwise escape into or onto any public or private place; Or causing, permitting or allowing litter to fall, descend, blow, seep, percolate or otherwise escape into or onto any public or private place;
- 3.59. **"Local body"** for the purpose of these rules means District /Gram Panchayat;
- 3.60. **"Lysometer"** means a device which is used to measure the movement of water in or through the medium of soil layer or which is used to collect the leached water for qualitative analyses.
- 3.61. **"Market"** includes any place where persons assemble for the sale of, or for the purpose of exposing of sale, meat, fish, fruits, vegetables, animals intended for human food or any other articles of human needs whatsoever, with or without the consent of the owner of such place notwithstanding that there may be no common regulation for the concourse of buyers and sellers

and whether or not any control is exercised over the business of, or the person frequenting, the market by the owner of the place or by any other person;

- 3.62. **"Materials recovery facility" (MRF)** means a facility where non-compostable solid waste can be temporarily stored by the local body or any other entity mentioned in rule 2 or any person or agency authorized by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorized informal sector of waste pickers, informal recyclers or any other work force engaged by the local body or entity mentioned in rule 2 for the purpose before the waste is delivered or taken up for its processing or disposal;
- 3.63. **"Non-biodegradable waste"** means any waste that cannot be degraded by micro-organisms into simpler stable compounds;
- 3.64. **"Nuisance"** includes any act, omission, place, animal or thing which causes or is likely to cause injury, danger, annoyance or offense to the sense of sight, smell, hearing, breath, modesty and dignity or disturbance to movement, work, rest or sleep, or which is or may be dangerous to life or injurious to health or property;
- 3.65. **"Neighbour"** means a clearly defined locality, with reference to its physical layout, character or inhabitant.
- 3.66. **"Nuisance Detectors" (NDs)** means those employees of District/ Gram Panchayat who are appointed by District/ Gram Panchayat to detect acts of Public nuisance etc. under the Bye laws;
- 3.67. **"Occupier"** includes- (a) any person who for the time being is paying or is liable to pay to the owner the rent or any portion of the rent of the land or building in respect of which such rent is paid or is payable; in occupation of, or otherwise using, any land or building or part thereof, for any purpose whatsoever;
- (b) An owner in occupation of, or otherwise using his land or building;
 - (c) A rent- free tenant of any land or building;
 - (d) A licensee in occupation of any land or building; and
 - (e) Any person who is liable to pay to the owner damages for the use and occupation of any land or building;

- (f) The custodian of evacuee property in respect of evacuee property vested in him under the Administration of Evacuee Property Act.
- (g) The General Manager of a Railway and the head of a Govt. Department, in respect of properties under their respective control;

3.68. "Offensive matter" includes animal carcasses, kitchen or stable refuse dung, dirt and putrid or putrefying substances other than sewage.

3.69. "Operator of a facility / operator of concession" means a person or entity, who owns or operates the concession for handling, collection, sorting, storage, transportation, processing and disposal of solid waste and it also includes any other agency appointed by the local body / panchayat authority for management and handling of solid waste in its area and any other entity or agency appointed by the local body;'

3.70. "Owner"

- a. Means any person who exercises the rights of an owner of any building or land or apart thereof or with whom from time to time is vested the legal title to premises, and if owner is not present for the time being those lease holder and tenants are considered as owner for the propose of the Bye-laws.
- b. In the case where the person in whom the legal title is vested is insolvent or decreases or in under any form of legal disability whatsoever, the person in whom the administration and control of such persons property is vested as curator, trustee, executor, administrator, judicial manager, liquidator or other legal representative.
- c. In any case where the Gram Panchayat is unable to determine the identity of such person, a person who is entitled to the benefit of the use of the premises or a building or buildings thereon.

3.71. "Panchayat Secretary" means a Panchayat Secretary appointed under sub section (1) of Section 25 of the Dadra and Nagar Haveli and Daman and Diu Panchayat Regulation 2012;

3.72. "Pellet forming" means a process used to make pellets, which will be small cubes/cuboids or cylindrical pieces from solid waste and will also include fuel pellets which is obtained from garbage.

- 3.73. **"Person"** means any person or persons and shall include any shop or establishment or firm or company or association or body of individuals whether incorporated or not and their agents; assignee etc; and shall mean to include Government and its offices and employees.
- 3.74. **"Point to Point Collection"** means the system of collection of solid waste from specific pick-up points as designated by Gram Panchayat up to which the generator must bring the collected and stored waste for delivery in vehicles so provided/appointed/permited by the District /Gram Panchayat.
- 3.75. **"Premises"** means any land or building or part of a building and includes-
- (a) The garden, ground and out- houses, if any, appertaining to a building or part of a building;
 - (b) Any fittings affixed to a building or part of a building for the more beneficial enjoyment thereof;
- 3.76. **"Primary collection"** means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any other location specified by the local body;
- 3.77. **"Private Street"** means any street which is not a public street and includes any passage securing access to two or more places belonging to the same or different owners.
- 3.78. **"Processing"** means any scientific process by which solid waste is treated for processing for the purpose of reuse, recycling or transformation into new products or making it suitable for land filling;
- 3.79. **"Public Gathering"** Public Gathering means any event such as processions, exhibitions, circus, fairs, public rallies, commercial, religious, socio-cultural events, protests and demonstrations, etc., organized in public places for any reason, where Police and/or District / Gram Panchayat permission is required;
- 3.80. **"Public Nuisance"** means any act, omission, offence or wrong-doing which causes or is likely to cause nuisance (as defined) in any public place;
- 3.81. **"Public place"** means any place which is open to the use and enjoyment of the public, whether it is actually used or enjoyed by the public or not;
- 3.82. **"Public road"** means any road, street or thoroughfare or any other place (whether a thoroughfare or not) which is commonly used by the public or

any section therefore or to which the public has a right of access, and includes-

- a. The verge of any such road, street or thoroughfare,
- b. Any bridge, ferry or drift traversed by any such road, street or thoroughfare, and
- c. Any other work or object forming part of or connected with or belonging to such road, street or thoroughfare.

3.83. "Public Street" means any street which is not a public street and includes any passage securing access to two or more places belonging to the same or different owners.

3.84. "Receptacle" means container, including bins and bags, used for the storage of any category of waste as prescribed by District /Gram Panchayat from time to time;

3.85. "Recycling" means the process of transforming segregated non-biodegradable solid waste into raw materials for producing new products, which may or may not be similar to the original products;

3.86. "Redevelopment" means rebuilding of old residential or commercial buildings at the same site, where the existing buildings and other infrastructures have become dilapidated;

3.87. "Refuse derived fuel (RDF)" means fuel derived from combustible waste fraction of solid waste like plastic, wood, pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydrating and compacting of solid waste;

3.88. "Refuse" means any waste matter generated out of different activities, processes, either degradable/non-degradable garbage and rubbish /inert in nature in either solid or semi-solid form which cannot be consumed, used or processed by the generator in its existing form;

3.89. "Regulation" means the Dadra and Nagar Haveli and Daman and Diu Panchayat Regulation, 2012;

3.90. "Repeated offence" means when an offence under these bye-laws has been repeated five times by the same person it will be called repeated offence.

- 3.91. **"Residual solid waste"** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing;
- 3.92. **"Rubbish"** includes ashes, broken bricks, broken glasses, dust, malba, mortar and refuse of any kind which is not filth;
- 3.93. **"Rules/bye-laws"** means regulatory framework notified by State / rural local body, census town and notified area for facilitating the implementation of these rules /bye-laws in their jurisdiction
- 3.94. **"Sanitary land filling"** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, bird menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion;
- 3.95. **"Sanitation"** means the promotion of hygiene and the prevention of disease and other causes of ill health related to environmental factors. However, the relevant provisions in respect of sanitation and health in any other rules, act or bye laws shall continue to prevail as usual.
- 3.96. **"Sanitary waste"** means wastes comprising of used diapers, sanitary towels or napkins, tampons, condoms, incontinence sheets and any other similar waste;
- 3.97. **"Sarpanch"** means the Sarpanch of a Gram Panchayat;
- 3.98. **"Schedule"** means the Schedule appended to these Bye-laws;
- 3.99. **"Secondary storage"** means the temporary containment of solid waste after collection at secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility;
- 3.100. **"Secretary Panchayat"** means the Secretary in charge of the Department of Panchayati Raj in the Union Territory of Dadra and Nagar Haveli and Daman and Diu.
- 3.101. **"Segregation"** means sorting and separate storage of various components of solid waste namely biodegradable wastes including agriculture and dairy waste, non-biodegradable wastes including recyclable waste, non-recyclable

combustible waste, sanitary waste and non recyclable inert waste, domestic hazardous wastes, and construction and demolition wastes;

3.102. "Service provider" means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc;

3.103. "Solid waste" means and includes solid or semi-solid domestic waste, sanitary waste, commercial waste, institutional waste, catering and market waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste excluding industrial waste, biomedical waste and e-waste, battery waste, radio-active waste generated in the area under the local authorities and other entities mentioned in rule 2;

3.104. "Sorting" means separating various components and categories of recyclables such as paper, plastic, cardboards, metal, glass, etc., from mixed waste as may be appropriate to facilitate recycling; means separating organic, inorganic, recyclable and hazardous wastes into categories to facilitate recycling;

3.105. "Stabilizing" means the biological decomposition of biodegradable wastes to a stable state where it generates no leach ate or offensive odors and is fit for application to farm land, soil erosion control and soil remediation;

3.106. "State board or Committee" means, as applicable, the State Pollution Control Board of a state or the Pollution Control Committee of a Union Territory.

3.107. "Street vendor" means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street, lane, side walk, footpath, pavement, public park or any other public place or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and all other synonymous terms which may be local or region specific; and the words "street vending" with their grammatical variations and cognate expressions, shall be construed accordingly;

3.108. "Source" means the premises from which waste is generated.

3.109. "Stabilized biodegradable waste" means the biologically stabilized (free of pathogens) waste resulting from the mechanical / biological

- treatment of biodegradable waste; only when stabilized such waste can be used with no further restrictions;
- 3.110. "**Storage**" means the temporary containment of solid waste in receptacles; prevent littering, attraction to vectors, stray animals and excessive foul odors;
- 3.111. "**Street**" includes any way, road, lane, square, court, alley, gully, passage, whether a thoroughfare or not and whether built upon or not, over which the public have a right of way and also the roadway or footway over any bridge or causeway.
- 3.112. "**Tipping fee**" means a fee or support price determined by the local authorities or any state agency authorized by the UT Administration to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill;
- 3.113. "**Transfer station**" means a facility created to receive solid waste from collection Local Body and transport in bulk in covered vehicles or containers to waste processing and, or, disposal facilities;
- 3.114. "**Transportation**" means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odor, littering and unsightly conditions and accessibility to vectors, animals and birds;
- 3.115. "**Treatment**" means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm;
- 3.116. "**User fee**" means a fee imposed by the local body and any entity mentioned in rule 2 on the waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services.
- 3.117. "**Vadose water**" means the water situated between top soil and ground water table level, i.e. in the unsaturated soil strata.
- 3.118. "**Vermi composting**" means the process of conversion of biodegradable waste into compost using earth worms;
- 3.119. "**Ward**" means an administrative ward of Dadra and Nagar Haveli and Daman and Diu, Gram Panchayat unless specified otherwise.

- 3.120. "Waste generator"** means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, Defence establishments, which generate solid waste;
- 3.121. "Waste hierarchy"** means the priority order in which the solid waste is to should be managed by giving emphasis to prevention, reduction, reuse, recycling, recovery and disposal, with prevention being the most preferred option and the disposal at the landfill being the least;
- 3.122. "Waste picker"** means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid wastefrom the source of waste generation the streets, bins, material recovery facilities, processing and waste disposal facilities for sale to recyclers directly or through intermediaries to earn their livelihood.
- 3.123. "Zonal office"** means the office of an administrative zone; of Gram Panchayat which is headed by Panchayat Secretary of said Panchayat.
- 3.124.** Words and expressions used herein but not defined, but defined in the Dadra and Nagar Haveli and Daman and Diu Panchayat Regulation, 2012, the Environment (Protection) Act, 1986, the Water (Prevention and Control of Pollution) Act, 1974, Water (Prevention and Control of Pollution) Cess Act, 1977 and the Air (prevention and Control of Pollution) Act, 1981 and all the Waste Management Rules shall have the same meaning as assigned to them in the respective Acts/Rules.

4. Power to issue necessary instructions towards promoting Clean and Green environment

- 1) The Secretary Panchayat shall have the power to issue instructions for compliance from time to time towards promoting clean and green environment in the Panchayat areas for the purpose of this Bye-law.

5. Prohibition of littering, and other nuisances and ensuring "Clean Aangan/Premises/Place".

- 5.1. Littering in/or on any public/private place:** No person shall throw or deposit litter in any occupied/unoccupied/open/vacant public or private place except in authorized public or private litter receptacles.

- 5.2. Littering from vehicles:** No person shall throw or deposit litter upon any street, road, sidewalk, playground, garden, traffic island or other public/private place from any vehicle either moving or parked.
- 5.3. Litter from waste carriage vehicles:** No person shall drive or move any truck or other vehicle filled with litter unless such vehicles are so designed to cover the litter and loaded as to prevent any litter from being blown off or deposited upon any road, sidewalks, traffic islands, playground, garden or other public place.
- 5.4. Creating Public Nuisance:** No person shall cook, bathe, spit, urinate, defecate, feed animals / birds or allow their droppings/poop, wash utensils or any other object or keep any type of storage in any public place except in such public facilities or conveniences specifically provided for any of these purposes.
- 5.5.** The Administration reserves the right to ban sale, purchase and use of any items including but not limited to non-bio degradable plastics of any kind, poisonous spray or other aerosols which have adverse effects on environment supported by scientific study or common perception or any kind of synthetic or natural occurring materials having proven adverse effects on environment if exposed or may contaminate flora or fauna causing irreversible damage within its territorial area, so as to regulate solid waste disposal, and manage any threat to the environment. Provided that any such resolution shall be sent to the Chief Executive Officer, who shall have the authority to annul any such resolution in general public interest. No person shall indulge in production, distribution, storage, sale and use of banned items.
- 5.6.** Temporary toilets shall be provided by the builder at construction sites, where a labour force is deployed for carrying out construction activities to prevent open defecation. Making of such prior provision should be one of the conditions while granting building permission by concerned Authority and must be adhered to.
- 5.7.** It shall be the responsibility of the owner of any premises to provide adequate toilets and sanitation facility for the residents or occupier of the said premises. Failure to do so shall invite penalties as specified in the schedule.
- 5.8.** Gram Panchayat through Panchayat Secretary is authorized to seal any

premises where toilet/sewerage/septic tank facilities have not been provided by the owners or occupiers. Provided that no such order of sealing shall be made without giving the owner one month's notice. Provided further that any such seal shall be opened on directions of Chief Executive Officer on providing such facilities and payment of Rs. 10,000/-.

5.9. Gram Panchayat, through Panchayat Secretary, may request any other department including electricity, road, PWD, water etc to cut-off the supply of essential services to the occupier who has refused comply with the directions of Panchayat Secretary regarding Solid waste disposal / management / toilets / sewerage. The concerned department, on receipt of such request, shall within seven days of such request, comply with the same.

5.10. In case of any violation reported / observed with regard to instructions made under Rule 5, i.e., **Prohibition of littering, and other nuisances and ensuring "Clean Aangan/Premises/Place"** of this Bye-law, the Gram Panchayat / District Panchayat may impose fine / penalty as prescribed in Schedule I of the Bye-laws and the Gram Panchayat may collect fine / penalty as prescribed in Schedule I of the Bye-laws.

6. Segregation, storage, delivery and collection of Solid Waste

6.1. Segregation of waste into separate specified groups: Every generator of Solid Waste shall separate the waste at source of generation into the following categories as applicable and shall store separately, without mixing it for segregated storage in authorized storage bins, private/public receptacles for handing over or delivering to authorized waste pickers or waste collectors as directed by the District Panchayat from time to time;

- 1) Bio-degradable (wet) waste,
- 2) Specified domestic hazardous waste,
- 3) Fully treated Bio-medical waste (as per applicable rules),
- 4) Construction and demolition waste,
- 5) Bulk garden and horticulture waste including tree and plant trimmings,
- 6) All other non- biodegradable (dry) waste including recyclable and non-recyclable waste. Sanitary waste like napkins, diapers, tampons etc shall be securely wrapped in pouches provided by the manufacturers or brand

owners or in suitable wrappers as instructed by the official / authority and shall be stored with the dry waste for handing over.

7) All bulk generators shall manage the waste at their premises as per instructions notified by the District Panchayat from time to time

- 6.2. District Panchayat may separately decide and notify different stages for implementation of the rules/ byelaw taking into account the level of awareness among generators of waste as well as availability of infrastructural support in their operational Local Body.
- 6.3. District Panchayat shall separately decide and notify from time to time the mandatory colour coding and other specifications of receptacles prescribed for storage and delivery of different types of solid waste to enable safe and easy collection without any mixing or spillage of waste, which generators of different types of solid waste shall have to adhere to.
- 6.4. **Delivery of segregated premises waste:** It shall be the duty of every generator of solid waste, either owner or occupier of every land and building to collect or cause to be collected from their respective land, premises and building, to segregate waste and to store and deliver the same to the Panchayat worker/vehicle/waste picker / waste collector deployed by the District Panchayat for the purpose.
- 6.5. **Bio-degradable waste:** Segregated Bio-degradable Solid Waste (as per the illustrative list in **Schedule II**, if not composted by the generator, shall be stored by them within their premises and its delivery shall be ensured to the Gram Panchayat worker/vehicle/waste picker / waste collector or to the bio-degradable waste collection vehicle provided for specified commercial generators of bulk bio-degradable waste at such times as may be notified from time to time.
- 6.6. **Composting by all generators:** Local composting or processing of waste shall be promoted to minimize transportation of waste. It shall be mandatory for the bulk generators to do in house processing of waste. The Secretary Panchayat shall be authorized to issue necessary instructions in this regard.
- 6.7. **Specified household hazardous waste:** (as listed in **Schedule III**) shall be stored and delivered by every generator of waste to the collection vehicle, which shall be provided weekly by District Panchayat or any other Agency

authorized by the Dadra and Nagar Haveli and Daman and Diu Pollution Control Committee (PCC). For collection of such waste, or to a center designed for collection of such waste for disposal in a manner that is mandated by the Administration of Union Territory of Dadra and Nagar Haveli and Daman and Diu or Dadra and Nagar Haveli and Daman and Diu Pollution Control Committee (PCC).

- 6.8. Untreated bio-medical waste:** (as listed in **Schedule IV**) shall be collected and stored in specified type of covered receptacles and delivered by every generator of such waste to the collection vehicle which shall be provided weekly by District Panchayat or any other Agency authorized by the Dadra and Nagar Haveli and Daman and Diu Pollution Control Committee (PCC) for collection of such waste, or to a centre designed for collection of such waste for disposal in a manner that is mandated by the Administration of Union Territory of Dadra and Nagar Haveli and Daman and Diu or Dadra and Nagar Haveli and Daman and Diu Pollution Control Committee (PCC) in accordance with the Bio-Medical Waste (Management and Handling) Rules, 2016.
- 6.9. Construction and Demolition waste** shall be stored and delivered separately at such spot and at such time as notified by District Panchayat or its agent from time to time for collection of such waste. Small generators (household level) shall be responsible to segregate the Construction and Demolition waste at source by contacting a local help-line of Gram Panchayat/ District Panchayat or the Agent who shall then send a vehicle to pick up such segregated construction and demolition waste on payment of necessary charges by the said generator and transport this waste to a processing centre. The details of local Help line of Gram Panchayat / District Panchayat shall be available in the Office of Panchayat Secretary and on their website.
- 6.10.** All other Non-biodegradable ("Dry") waste - both recyclable and non-recyclable — shall be stored and delivered by every generator of waste to the dry waste collection vehicle, which shall be provided District Panchayat, or its Agents at such spots and at such times as may be notified by them from time-to-time for collection of such waste.

- 6.11. Bulk garden and horticultural waste shall be kept un-mixed and composted at source. Gram Panchayat shall also notify Instructions/ guidelines with regard to pruning of trees and storage and delivery of tree trimmings including segregated garden and horticultural waste by charging suitable fees as notified by it from time to time, for collection and transport to its facility.
- 6.12. **Burning of waste:** Disposal by burning of domestic, hazardous and commercial solid waste at roadsides, or at any private or public property is prohibited.
- 6.13. If such owner or occupied fails to comply with any direction contemplated by this Bye law, he / she shall be guilty of an offence punishable under relevant laws and Gram Panchayat may remove, or cause to be removed dispose of or treat such hazardous waste in any suitable manners and recover the expenses incurred in doing so from such owner or occupier.
- 6.14. In case of any violation reported / observed with regard to instructions made under Rule 6, i.e., **Segregation, storage, delivery and collection of Solid Waste** of this Bye-law, the District Panchayat may impose and collect fine / penalty as prescribed in Schedule I of the Bye-laws in respect of industry, institutions, commercial enterprise / establishments and similarly the Gram Panchayat may impose and collect fine / penalty as prescribed in Schedule I of the Bye-laws in respect of residential premises / areas.
7. **Obligatory duties of District/ Gram Panchayats**
- 7.1. **Action against Transport Contractors, agents or Employees of District /Gram Panchayat:** Every District Panchayat shall take action against the Transport Contractor (and/or Agents/employees of District /Gram Panchayat, if any worker of the contractor or any employee of District / Gram Panchayat mixes segregated waste at any point of collection, or fails to pick up waste as per the specified time schedule.
- 7.2. **Infrastructure facilities:** District /Gram Panchayat shall provide adequate infrastructure facilities to assist citizens compliance with these Bye-laws. In addition to waste collection services, litter bins, dry waste sorting centers, and

composting centers shall be set up, wherever possible and essential, in consultation with local citizens. Adequate community toilets shall be provided in slum localities with the participation of Community Based Organizations to prevent nuisance such as defecating/urinating, washing and bathing in public places.

- 7.3. Citizen Resource Base:** District /Gram Panchayat shall facilitate information about composting as well as recycling of dry waste through composting centres and dry waste sorting centers listing them on its website. The Secretary Panchayat shall be authorized to issue necessary instructions in this regard.
- 7.4. Bio-degradable puja articles:** District /Gram Panchayat shall authorize interested organizations to collect bio-degradable 'puja' articles (flowers, leaves, fruits etc.) at certain designated sites near water bodies such as beaches, lakes, ponds, etc. in notified receptacles. The collection from such receptacles shall preferably be composted at a suitable location.
- 7.5. Point-to-Point waste collection services:** District /Gram Panchayat shall provide for the collection of the solid waste from specific pick-up points on a public or private road up to which the generator must bring the collected, segregated and stored waste for delivery to District Panchayat worker/vehicle/waste picker / waste collector provided by District Panchayat according to the route plans at such times and at such spots as notified by the concerned Panchayat Secretary/Health Officer/ any other authorized official in advance for specified types of waste for different localities.
- 7.6. Collection at source:** District / Gram Panchayat shall provide for the collection of solid waste from premises of a building or group of buildings from waste storage receptacles kept on the premises to which District /Gram Panchayat shall be provided access at such times as may be notified by the Panchayat.
- 7.7. Data about waste received at landfill:** District /Gram Panchayat shall release publicly, the monthly data about the quantity of waste going to the different landfills and waste processing sites. Such information shall be available at the Office and on Panchayat website.

7.8. Community Bins in public places:

- a) District/ Gram Panchayat shall provide and maintain suitable community bins on public roads or other public spaces; as determined by the each District/ Gram Panchayat, itself or through an Agent as an interim arrangement till District/ Gram Panchayat makes provision for collection at source or point-to-point collection at the required frequencies and shall notify the same on District/ Gram Panchayat website from time to time.
- b) Segregated waste shall be delivered by the concerned generators to such community bins, and thereafter collected by District/ Gram Panchayat. The District/ Gram Panchayat or its Agents have to ensure compliance of segregation and avoidance of public nuisance and health hazards from these community bins. Every community bin shall be separate for bio-degradable and non-bio-degradable waste. Details of all such places including the arrangements and schedules of waste collection from such places shall be available at the Office and on website.
- c) Officials/authority of District/ Gram Panchayat shall ensure that at no point of time the community bins are not overflowing nor exposed to open environment and prevent their scattering by rag pickers, stray animals or birds etc.

7.9. Dry waste sorting centers / Material Recovery Facilities: In order to regulate and facilitate the sorting of the recyclable and non-recyclable waste, District/ Gram Panchayat shall provide for as many dry waste sorting centers as possible and required. These dry waste sorting centers shall be on District/ Gram Panchayat land or land belonging to the Government or other bodies, made available especially for this purpose, or in the form of sheds or kiosks provided at suitable public places and shall be manned/operated by registered cooperative societies of waste pickers / licensed recyclers or any other Agents authorized / appointed by District/ Gram Panchayat. The non-recyclable waste, which remains after sorting shall be further, transported from such sorting centers from time-to-time to waste disposal sites for

processing or land-filling. Such center shall be fenced/ screened in such a way that waste shall not be visible to passersby.

7.10. Time schedule and route of collection: The daily and weekly time schedules and routes in Gram Panchayat for collection of different types of solid waste shall be fixed and notified in advance by the concerned official/authority. Details shall be available at all Offices and on the website.

7.11. Similarly, the arrangements for the collection of construction and demolition waste, and garden and horticultural waste by District/ Gram Panchayat or its licensees shall be made available to the public as well as to the bulk generators of waste by the Panchayat Secretary/Health Officer/ any other authorized official as the case may be.

7.12. Surprise checks: Any authorized Officer / Agent of District/ Gram Panchayat shall have right to enter, at all reasonable times, with such assistance as he considers necessary, any place for the purpose of

(i) Performing any of the functions entrusted to him by District/ Gram Panchayat or

(ii) Determine whether, and if so, in what manner, any such functions are to be performed, or whether any provisions of these Bye-laws have been complied with.

7.13. Nuisance Detectors: The Panchayat Secretary/Health Officer/ any other authorized official shall provide and strengthen the system of Nuisance Detectors by providing suitable uniforms and vehicles to Nuisance Detectors.

7.14. Publicity: Citizen Information Services: District/ Gram Panchayat shall publicize the provision of the Bye-laws through the media of signs, advertisement, hoardings, banners, leaflets, announcement on radio and televisions, newspapers and through any other appropriate means, so that all citizens are made aware about the statutory duties of citizens and District/ Gram Panchayat for services, recycling, anti-litter and anti-nuisance penalties and fines.

7.15. Designated officers and periodic reports: The Panchayat Secretary/Health Officer/ any other authorized official concerned shall designate officers under their control who shall be responsible for implementing the obligatory

responsibilities of District/ Gram Panchayat specified under these Bye-laws in accordance with the plans and time schedules for implementation. The specific plans and time schedules and achievements against the same along with reasons for short falls, if any, shall also be shared publicly by the official/authority through the District/ Gram Panchayat website.

- 7.16. Transparency and Public Accessibility:** To ensure greater transparency and public accessibility, the District/ Gram Panchayat shall provide all necessary information that is required to be publicized through its website.
- 7.17. Co-ordination with Government Bodies:** All District/ Gram Panchayat shall co-ordinate with other government agencies and authorities, to ensure compliance of these Bye-laws.
- 7.18.** The District/ Gram Panchayat shall ensure arrangements for cleaning daily or at set intervals and all the year through at all the public roads, places, colonies, slums, Local Body, markets and tourism places, parks of the local body, cremation grounds etc. and the District/ Gram Panchayat shall be committed to collect and carry the garbage from these places door to door or from the nearest garbage bin/container/facility and transport it from there to the final disposal place in closed vehicles.
- 7.19.** The District/ Gram Panchayat shall utilize its own/outsourced/contract sanitation workers and vehicles in carrying out sanitation and solid waste management functions for full or partial daily cleaning work, so that the local body is able to keep its area neat and clean in public interest.
- 7.20.** In order to manage the complete daily cleaning system of the city, the District/ Gram Panchayat shall establish a Ward office (complaint center) in each ward, garbage bin/container at suitable places as required, public toilets/urinals, transfer stations to transport the garbage to the landfill for final disposal, processing unit, etc.
- 7.21. User charges:** The District/ Gram Panchayat shall levy user charges from the households / premises for the waste management services rendered as per the table given below as determined by the Chief Executive Officer, District Panchayat from time to time. For this purpose, the District/ Gram Panchayat shall appoint its staff/designated persons in all the wards of the Panchayat to collect user charges from every residential premises, industry, institutions,

commercial enterprise / establishments in compliance with Solid Waste Management Rules, 2016.

- 7.22.** A time will be fixed compulsorily in each area to collect garbage from each house/premises/Aangan. Usually, the time will be from 7.00 to 11.00 AM but the same may be finalized by the District / Gram Panchayat. Provision for carrying out special cleanliness drives may also be finalized by the District / Gram Panchayat. A bell/horn/announcement (whose sound must not be over the permissible sound limit) should be fitted on the vehicle of garbage collection/blown by worker so that the residents can be made aware of collection being undertaken.
- 7.23.** The time for garbage collection from residential households shall be in the morning session and time for garbage collection from the commercial establishments/ shops/godowns/ industries shall be in the evening or as may be decided by the District / Gram Panchayat. Necessary arrangements for collection of waste from commercial establishments/ shops/godowns / industries shall be made by District Panchayat.
- 7.24.** The Rates/User Charges/Fees for collecting garbage from residence / industry / commercial establishments for Garbage Collection are fixed as follows: -

Si.	User Category	User Charges (monthly)		Remarks
		Applicable on Census Town	Applicable on Other villages	
1.	Households (except Kutcha Houses) and Offices	Rs.1.00/- per day		Payable monthly to be collected by Gram Panchayat and deposited with Gram Panchayat
2.	Tea stalls/ Kiosks / Pan shops	Rs.1.00/- per day		Payable monthly to be collected by Gram Panchayat and deposited with Gram Panchayat
3A.	Restaurants and Eateries with seating capacity upto 20	Rs. 5/- per day		Payable monthly to be collected by Gram Panchayat and deposited with Gram Panchayat

3B.	Restaurants and Eateries with seating capacity above 20 and upto 100	Rs. 10/- per day		Payable monthly to be collected by Gram Panchayat and deposited with District Panchayat
3C	Restaurants and Eateries with seating capacity above 100	Rs. 15/- per day		Payable monthly to be collected by Gram Panchayat and deposited with District Panchayat
4.	Marriage Halls / Party Plots	Rs.500	Rs. 250	Payable per marriage to be collected by Gram Panchayat and deposited with Gram Panchayat
5.	Community Halls	Rs. 100	Rs. 50	Payable per marriage to be collected by Gram Panchayat and deposited with Gram Panchayat
5.	Vendors / Hawkers	Rs. 1.00/- per day per vendor / hawker		To be collected monthly per vendor by the Gram Panchayat and deposited with Gram Panchayat
6.	Mutton and Chicken shops	Rs. 5/- per day		To be collected monthly per vendor by the Gram Panchayat and deposited with Gram Panchayat
7.	Shops/ Godowns	Rs. 125	Rs. 60	To be collected monthly by the Gram Panchayat and deposited with District Panchayat
8.	Private Schools and Educational Institutes	Rs. 400	Rs.200	To be collected monthly by the Gram Panchayat and deposited with District Panchayat
9.	Hotels/Guest House/ Clinics / Private Hospitals	Rs. 1000	Rs. 500	To be collected monthly by the Gram Panchayat and deposited with District Panchayat
10.	Industries	Rs. 1000	Rs. 500	To be collected monthly by the Gram Panchayat and deposited with District Panchayat

The user charges shall be levied one month after the house-to-house collection has come into force. The above rates shall be revised by the Secretary Panchayat from time to time.

- 7.25. The user charges for door to door or point garbage collection as above shall be collected only by the authorized institution/person/agency as decided by the Secretary Panchayat. The above rates shall be properly advertised and the rates shall also be displayed on the Waste Management Vehicles.
- 7.26. The waste shall not be handled manually. But, due to some unprecedented circumstances, if the waste material has to be manually handled and lifted using manual labour, in such circumstances manual labour would be used with all due care and precautions of personal safety gear.

8. Obligatory Responsibilities of District /Gram Panchayat and /or generators of waste in case of some specific categories/situations:

Keeping in mind the particular nature of some situations, the following responsibilities are specifically mandated:

8.1. Slums

8.1.1. Where applicable, Gram Panchayat shall extend door-to-door collection system at fixed times at a point outside the slum, for collection of segregated solid waste.

8.1.2. Cleanliness drives shall be conducted by Gram Panchayat with the help of Gram Panchayat Members, Citizens organizations, Government bodies / Corporate etc for the cleanliness inside the slums, from time to time.

8.2. Poultry, Fish and Slaughter Waste (From all areas other than designated slaughter houses and markets)

8.2.1. Every owner / occupier of any premises other than designated slaughter houses and markets, who generates poultry, fish and slaughter waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to District /Gram Panchayat collection vehicle provided for this purpose. Deposit of such waste in any community bin is prohibited and shall attract fines as indicated in the schedule of Fines.

8.2.2. The Panchayat Secretary / Health Officer / any other authorized official of Gram Panchayat shall be responsible for

repair/re- modelling of civic facilities in the markets to provide maximum hygiene and sanitary conditions in the market premises.

8.3. Vendor/Hawkers: All vendors/hawkers shall keep their biodegradable and other waste unmixed in containers / bins at the site of vending for segregated storage of waste generated by that vending activity. It shall be the responsibility of the generator/ vendor to deliver this waste duly segregated to the Collection Vehicle of District /Gram Panchayat or to the nearest designated community bins as directed. Failing which fine shall be imposed as per the Schedule of Fines. Each Vendor/hawker shall be responsible to maintain their 'Clean Aangan'.

8.4. House /gullies/Service Lanes:

8.4.1. It shall, be the responsibility of the owner/occupier of premises within house-gullies to ensure that no waste is dumped or thrown in the house-gully, and to segregate and deliver any solid waste to the waste collection vehicle which shall be provided by District /Gram Panchayat at such spots and at such times as may be notified by official/authority.

8.4.2. Where owners/occupiers of such premises wish to avail of the services of District /Gram Panchayat for the cleaning of the house gully, they must apply to the concerned Office of District /Gram Panchayat and pay suitable prescribed charges as notified by District /Gram Panchayat from time to time. It shall be the responsibility of the owners/occupiers to provide access to the house gully for cleaning purposes.

8.5. Litter by owned / pet animals:

It shall be the responsibility of the owner of any pet animal to promptly scoop/clean up any poop/litter/faecal matter created by any owned/pet animals on the street or any public place, and take adequate steps for the proper disposal of such waste in their own sewage or other such sanitary system.

8.6. Public Gatherings and Events:

8.6.1. For Public Gatherings and Events, organized in public places for any reason (including for processions, exhibitions, circus, fairs, public rallies, commercial, religious, socio-cultural events, protests and demonstrations, etc.) where Police and/or District / Gram Panchayat permission is required, it shall be the responsibility of the Organizer of the event or gathering to ensure the

cleanliness of that area as well as all appurtenant area immediately after the event.

8.6.2. A Refundable Cleanliness Deposit: The Organizer of the event shall pay required deposit with the concerned office for the duration of the event, which shall be refundable on the completion of the event on notifying that the said public place has been restored back to a clean state, and any waste generated as a result of the event has been collected and transported to designated sites, to the satisfaction of Panchayat Secretary/Health Officer/ any other authorized official concerned. This deposit shall be only for the cleanliness of the public place and does not cover any damage to property. This section shall also, apply to various other events which are being organized outside the Panchayat Parks i.e. on roads/lanes etc.

In case, the Organizers of the event wishes to avail of the services of District / Gram Panchayat for the cleaning, collection and transport of waste generated as a result of that event, they shall apply in advance to the concerned Office of District / Gram Panchayat and pay the necessary charges in advance as may be fixed for this purpose by District / Gram Panchayat. Such cleanliness deposit and charges shall be such as are decided by Panchayat from time to time. If any party conducts an event without giving security deposit, the cleanliness deposit shall be recovered as a fine from them.

8.7. Receptacles on private property:

Every owner or occupant of private property shall maintain authorized refuse receptacles on private premises provided the receptacles are neither visible from public street/roads and sidewalks nor accessible to animals.

8.8. Other public places

The Government / Semi-government, statutory bodies shall be responsible for implementation of these Bye-laws within the public premises owned/occupied by them.

9. Penalties for contravention of these Bye-laws

9.1. Whosoever contravenes any of the provisions of these Bye-laws or fails to comply with the requirements made under any of these Bye-laws shall be

punished with a fine as mentioned in **Schedule-I** appended to these Bye-laws, failing which, the said defaulter shall be liable to do the community service for at least one hour like road sweeping or graffiti cleaning etc. as directed / ordered by the Nuisance Detector or Implementing Authority or any person authorized to do so. The fines can be recovered in the same manner and to the same extent as property tax. The fines for the Villages / Gram Panchayats other than declared Census Towns shall be 50% of the Fines as mentioned in **Schedule – I** appended to these Bye-laws.

9.2. The owner/ occupier shall be deemed to be guilty of the offence and shall pay the fine, if the responsible person for dumping waste in a private place is unidentified.

9.3. If it becomes necessary on the part of the District /Gram Panchayat to remove or process the waste, which was the responsibility of any other agency to remove or process then the responsible person or entity shall be liable to pay the expenses to the District /Gram Panchayat at the rate of 5 times the charges prescribed or Rs. 5000/- per incidence whichever is higher.

9.4. Nothing in these bye-laws prevents District /Gram Panchayat to recover—in addition to the fine prescribed under bye-laws, administrative charges for any extra expense incurred on removal or disposal of waste because of non cooperation of any person.

9.5. The dues under these bye-laws shall be recovered in the same manner and to the same extent as property tax. Provided that no such recovery Proceedings shall be initiated unless the defaulter has been given one month's time to pay the dues.

10. Miscellaneous provisions:

10.1. Bio medical waste and industrial waste shall not be mixed with solid waste and the collection of such waste shall be made as per the rules/byelaws specified separately for the purpose. Common Bio Medical Waste Treatment Facility (CBWTF) services shall be availed for disposal of bio medical waste as per rules/byelaws. Disposal of such hazardous waste will have to be ensured at the Common Bio Medical Waste Treatment Facility (CBWTF) plant at the prescribed charges.

- 10.2. Stray animals shall not be allowed to roam freely around waste dumps or at other places in the city and arrangement will have to be made for restraining them at authorized area/place only.
- 10.3. No one will collect or throw waste water, muddy water, night soil, dung, excreta etc. from his/her building, institution or commercial establishment to pollute the atmosphere and ground with its stench and harm public health or obstruct traffic, failing which, administrative charges or fine shall be levied on the spot for spreading such waste, and case can be brought against them in court.
- 10.4. If a person is found spreading pollution or filth in public parks etc. by throwing dead animal/cattle or its parts, it will be a punishable offense and fine and administrative charges shall also be levied.
- 10.5. It shall be the duty of District /Gram Panchayat to protect all waste handlers from the ill-effects of their occupation and should be given annual medical examination and monitoring, given appropriate health education and free medical treatment if it is felt that the illness is occupation -- related. Gram Panchayat shall provide person protection equipment's and monitor that the same is used by the workers.
- 10.6. The District /Gram Panchayat shall develop a management information system for effectively taking corrective measures as well as proper planning for future. Geographic Information System (GIS) shall be introduced and MIS may be integrated in this system. There should be route maps and duty charts with each of the supervisory staff, who should check work on site is going as per schedule and vehicles and manpower are giving their optimum output.

11. Responsibility of District /Gram Panchayat —

- 11.1. **Transport of the solid waste:** - The vehicles used for the transport of solid waste are to be duly closed so that the waste should not be visible to the public and the waste is not scattered elsewhere on the road during transportation, the following standards should be maintained during the transportation of the solid waste.

- 11.2. The solid waste would be collected and cleaned as per schedule from the established waste collectors. Along with the waste, the surrounding area of the disposal site should also be kept clean.
- 11.3. The design of the transport vehicles will be such that the waste will not be allowed to touch „ground until it reaches its final processing/disposal site, and thus the recurring handling of the waste will not be allowed.
- 12. Recycling of the solid waste** - To process the solid waste collected in the Gram Panchayat as useful materials, various solid waste disposal units approved by the pollution control board/PCC and different techniques of such solid waste should be applied so that the dependency of waste disposal on the landfills can be minimized. Following standards should be applied for the expected results;
- 12.1. For the processing of the bio-degradable waste, various techniques can be used such as vermi-composting, composting, mechanized composting, bio-methanation etc. Also the waste can be degraded using the other natural methods/resources by obtaining the required authorizations.
- 12.2. For the waste material mixed with the recyclable/renewable resources as a mixture, the method of recycling should be used. In some cases the waste resources can be used to generate energy. Such plants with the technology should be authorized by the pollution control board.
- 13. Prosecution and Penalties:** - As provided in these byelaws, for any breaching of the said byelaws, prosecutions and penalties can be rendered as levied down in these byelaws or in the Dadra and Nagar Haveli and Daman and Diu Panchayat Regulation, 2012. Further, as per the Environment Protection Act of 1986, cases can be filed against them.
- 14. RESPONSIBILITY OF ELECTED MEMBERS AND PANCHAYAT SECRETARY**
- 14.1. The administrative powers to implement the provisions of this Bye-law shall be vested in the Panchayat Secretary or any Official so authorized by the Secretary Panchayat. The Panchayat Secretary / the authorized Official shall

report to the concerned Chief Executive Officer / Block Development Officer, District Panchayat in respect of user charges / fines collected and deposited with District Panchayat and he/she shall be directly responsible to them for the proper discharge of the functions imposed by or under this bye law.

14.2. The Panchayat Secretary / authorized Official shall-

- a) Supervise and control the acts done and steps taken by the officers and employees of the Gram Panchayat in solid waste management.
- b) Exercise such other powers and perform such other functions that may be conferred or entrusted under the provisions of this Bye law or the rules made there under.
- c) The Sarpanch, the Panchayat Secretary, the Health Officer may, in emergent circumstances, direct the execution of any work or performance of any act related to solid waste management, in respect of which sanction of the Panchayat is necessary and in his/her opinion the immediate execution or performance of which is necessary for the safety of the public and may also direct that the expenses incurred for the execution of such work or performance of such act be paid from the fund of the Gram Panchayat.

14.3. The elected members of the panchayat shall have the responsibility to ensure that the provisions of these bye laws are followed in letter and spirit in their respective areas.

15. Appeal. There shall be no appeal against fine when the total amount of fine does not exceed Rs. 10,000/- per incidence. Appeal against any other order of Panchayat Secretary or authorized Official of Gram Panchayat shall lie with Chief Executive Officer whose decision shall be final.

16. GENERAL PROVISIONS FOR SANITATION

- 1) No person and Domestic animals shall bath, spit, urinate, defecate, feed/slaughter animal or birds, repair / wash vehicles, utensils or any other object or keep any type of storage for any of these purposes.
- 2) Toilets shall be provided by the builders at construction sites. Training centers, all type of institutions at their place of business to prevent open defecation. Making of such prior provision should be one of the conditions

while granting building permission and must be adhered to. After notification of in this Bye-laws all residential/ commercial building is to have their toilets within 03 (three) months otherwise they will be considered as agencies / individuals promoting open defections and the penalties will be imposed accordingly.

17. ACCESS TO PREMISES

- 1) The occupier of premises shall grant the District /Gram Panchayat access to the premises for the purpose of collecting and removing refuse and shall ensure that nothing obstructs, frustrates or hinders the District /Gram Panchayat in the carrying out its services.
- 2) Wherein the opinion of the District /Gram Panchayat, the collection or removal of refuse from any premises is likely to result in damage to the premises or to the District /Gram Panchayat Property or injury to the refuse collectors or any other person, it may, as a condition of rendering a refuse collection service in respect of the premises, require the occupier to indemnify it in writing in respect of any such damage or injury or any claims arising out of either.

18. NOTICE AND PENALTY

- 1) The Gram Panchayat may serve a notice on the occupier of any premises, requiring such occupier to clear any waste on such premises in a manner and within a time specified in such notice.
- 2) If a person, on whom a notice has been served, fails to comply with the requirements imposed by the notice, such person shall be guilty of an offence and liable on conviction to the penalties prescribed from time to time Bye- laws.
- 3) If a Person by whom a notice is served, fails to comply with any requirements imposed by such notice, the Gram Panchayat may Enter on the premises and clear the wastes, and Recover from the occupier the expenditure incurred in having done so.
- 4) a. Where on any occasion, an officer of the Gram Panchayat finds any person who such officer has reason to believe on that occasion committed an offence under sections of the Bye-laws, he may serve a notice on that

person offering such person the opportunity of discharging any liability to conviction for that offence by payment of a fixed penalty.

b. A notice under this section shall give such particulars of the circumstances alleged to constitute the offence as are necessary for giving reasonable information of the offence and shall specify-

- a) the period;
- b) the amount of the fixed penalty; and
- c) to whom, and the address at which, the fixed penalty may be paid.

c. The fixed penalty payable to the Gram Panchayat from time to time.

5) Any person who contravenes or fails to comply with any provision of these Bye-laws shall be guilty of an offence and shall be liable on conviction to a fine or to imprisonment, or to both, such fine and imprisonment or to such other penalty as determined by a court of competent jurisdiction.

6) Any person who dump, deposit, discharge, spill or release waste, or cause or permit such wastes to be dumped, discharged, spilled or released, whether or not the waste is in a container or receptacle, in or. at any place, whether publicly or privately owned, including but not limited to vacant, land, rivers, waterways, catchments, sewers and storm water drains except in a container or at a place which has-been specially indicated provided or set apart for such purpose is an offence and liable to, be fined on the spot as prescribed in the Schedule; the order can be issued by Panchayat Secretary of the Gram Panchayat and one who contravenes the order shall be liable to be prosecuted.

19. PROVISION FOR PROCESSING OF SOLID WASTES

1) The District /Gram Panchayat may, for the purpose of recycling, treating, processing and disposing solid waste or converting such solid wastes into compost or any other matter construct, acquire; operate, maintain and manage any establishment within or outside the Panchayat area and run it on a commercial basis or may contract out such activity.

- 2) District /Gram Panchayat may make adequate arrangements for the treatment of solid wastes for the preparation of compost and the disposal of it by sale or other means.
- 3) Within the sites for processing and disposal of waste identify suitable locations for: -
 - a) Weighbridge
 - b) Composing plant
 - c) Composting area
 - d) Composting storage area
 - e) Packing area
 - f) Shredded plastic storage area
 - g) Wash and change area
 - h) Security cabin
 - i) Secured landfill for the disposal of rejects
 - j) Site for RDF
 - k) Leachate treatment plant
 - l) Parking area for vehicles
 - m) Vehicle washing area
 - n) Canteen quarters
 - o) Workshop for vehicles
 - p) Store room
 - q) Laboratory
 - r) Office space.
- 4) While selecting site, the District /Gram Panchayat shall take due care of the ground water table, land use etc. of the sites.
- 5) It should be atleast 500 mts away from habitation tourist areas, wetlands etc.
- 6) It should be 3 meters above the local ground Water level wherever possible, failing which the site level any need to be raised.
- 7) A 500 mts wide no development Buffer zone to be declared to prevent objections by future inhabitants.
- 8) The waste processing and disposal site must be fenced to prevent unauthorized entry.

- 9) The District /Gram Panchayat shall improve existing roads or make new ones and maintain the same.
- 10) The District /Gram Panchayat shall provide a green belt to improve the environment.
- 11) The waste processing or disposal facilities shall include facility based on state-of-the-art technology duly approved by the Pollution Control Committees.
- 12) The waste processing area should be covered and it shall be provided with impermeable base with facility for collection of leachate and surface water run off into lined drains leading to a leachate treatments and disposal facility.

20. PROVISION FOR FINAL DISPOSAL OF SOLID WASTE

- 1) Every District /Gram Panchayat shall identify and notify suitable lands within or outside the panchayat area for the purpose of final disposal of waste.
- 2) While notifying the land, health and Environment aspects shall be taken into consideration by the Gram Panchayat.
- 3) The District /Gram Panchayat shall provide for decentralized processing plants wherever and whenever possible, and opt for centralized land fill site. The District /Gram Panchayat shall find suitable and adequate land for processing and disposal of waste keeping in view the requirements for at least the next 20 — 25 years. The landfill site for the rejects should preferably be the same parcel of land as the composting site, or very nearby to minimize the cost of handling, transporting and land filling the rejects.
- 4) Land fill site should be developed as specified in SWM Rule 2016 **(Schedule I)**
- 5) **Necessary precautions** shall be taken to minimize nuisance of odour, flies, rodents, bird menace and fire hazard;
- 6) Process rejects shall be removed on a regular basis shall be sent for well designed landfill site.
- 7) Rejects and non biodegradable waste shall be land filled according to standard procedure.
- 8) Wastes should be spread in thin layers and compacted to achieve a high

- density of waste.
- 9) The waste may be covered on a day to day basis with thick layer of inert materials such as construction wastes or soil to avoid any foul smell and breeding of rodents and insects.
 - 10) After completion of landfill, a final cover shall be designed to minimize infiltration and erosion.
 - 11) To minimize erosion of the final cover, plantation or vegetation cover may be made to sustain native plant growth.
 - 12) Rain water flow into the land fill area should be prevented.
 - 13) Run-off from land filled areas should not enter any well or water body.
 - 14) Regularly monitor nearby water quality.
 - 15) Public gardens with land-scaping may be developed in stages on the landfill in such a manner that stagnation of rainwater does not take place and rainwater runs off the site.
 - 16) Records may be maintained of date, time and quantity of wastes received site and the number of trips made by each transport vehicle.
 - 17) After completion of land fill a minimum final raised cover of soil or construction waste of at-least 30 cm shall be provided and maintained to ensure run-off of rain-water from the surface.
 - 18) Maintaining the integrity and effectiveness of final cover, including making repairs to the cover as necessary to correct the effective of settlement, subsidence, erosion or other events and preventing rain-water run-on and run-off from eroding or otherwise damaging the final cover;
 - 19) Monitoring ground water in accordance with requirements and taking corrective measures as and when required;
 - 20) Monitoring of landfill gases to assess levels of methane, for ensuring compliance as per the prescribed standards.
 - 21) Planned use of closed landfill sites can commence after ensuring that the landfill gases, leachates and ground-water analysis permit such use.
 - 22) Installation of landfill gas control system including gas collection system shall be made at landfill site.
 - 23) Ambient air quality at the landfill site and at the vicinity shall be monitored.

21. PROVISION FOR LEACHATES COLLECTION AND TREATMENT

- 1) Provisions for management of leachates collection and treatments shall be made. The treated leachates shall meet the standards specified in Schedule — I of SWM Rules, 2016.
- 2) It shall be incumbent on the District /Gram Panchayat to establish a leachate treatment plant along with a windrow composting facility and landfill site as per the SWM Rules, 2016.
- 3) The leachate plant shall be able to treat the leachate both from the processing plant and the land fill.
- 4) The District /Gram Panchayat shall identify appropriate technology for leachate treatment.

22. DISTRICT /GRAM PANCHAYAT SANITATION SOCIETY

The District /Gram Panchayat shall form a Sanitation Society that shall prepare, submit and implementation a plan for the safe and sanitary management of solid waste generated in areas under its geographic and jurisdictional coverage.

The Sanitation Society shall be a society registered under the Charitable Societies Act and promoted and controlled by the District /Gram Panchayat for the purpose. A separate Bye-law shall be prepared for the society.

The Sanitation Society shall have the following duties and responsibilities:

- a.
