## **II. PROFILE:**

### **❖ Dadra & Nagar Haveli**

Shri Vinoba Bhave Civil Hospital, Silvassa earlier known as Cottage Hospital was started in the year 1952 with minimum OPD services and Indoor facility. This hospital after renovation is named as “Shri Vinoba Bhave Civil Hospital, Silvassa, and rededicated to the people on 01/07/1999. It is a 316 bedded multi-specialty hospital which caters the health needs of population in Dadra & Nagar Haveli and surrounding areas of Gujarat and Maharashtra. The hospital is being upgraded to 650 bedded teaching hospitals.

Shri Vinoba Bhave Civil Hospital along with Directorate of Medical and Health Services took an initiative of starting a Para Medical courses in Union Territory of Dadra and Nagar Haveli with affiliation to BSS – ‘Bharat Sevak Samaj’. Bharat Sevak Samaj (BSS) is a National Development Agency, promoted by Planning Commission, Government of India in 1952.

The Bharat Sevak Samaj offers various Allied health Education Courses. Allied health professions are health care professions distinct from nursing, medicine and pharmacy. They work in health care teams to make the health care system function by providing a range of diagnostic, technical, therapeutic and direct patient care and support services that are critical to the other health professionals they work with and the patients they serve.

### **❖ Daman:**

Government Hospital, Marwad is the district hospital of Daman with 185 bedded strength at present. It is planned for up-gradation to 300 bed strength very shortly.

It possesses OPD and IPD Services to all patients with preferences to local population. The hospital provides latest diagnostic specialist services in all specialties including medicines, surgery, urology, pathology etc. The hospital is also running the Medical Record Department (MRD), Integrated Hospital Management System, Telemedicine Department, Central Sterile and Supply Department etc.

**MISSION:**

The Paramedical Science course is to prepare students to contribute to a global society and a diverse workforce as productive, responsible and engaged citizens and as well-educated health care professionals. This is accomplished by improving teaching, research and service student-centered, culturally rich and dynamic learning atmosphere. The institution extends its mission on quality improvement through systematic assessment and evaluation of program outcomes.

**VISION:**

To recognize ourselves in the leadership position among the best center for excellence in education, training, practice and research to meet the challenges concerned to the human health.

**AIM:**

The institute aims to provide trained, qualified, technical personnel in the field of Paramedical Science to support the medical profession. The emphasis of the Paramedical Science education programme is on developing a cadre of professionals, especially girls, women, socially backward groups (SCs, STs) and rural youth. This programme conceived as “Total Employment Training for Total development”, focuses on the concept of turning the unskilled to the skilled.

**III.OBJECTIVES:**

1. To support rural and remote area people with affordable education.
2. To provide effective representation, promotion and communication of allied health interests in the development and implementation of policies.
3. To provide national leadership on shaping and supporting the contribution made by allied health to health and wellbeing.
4. To strengthen the delivery with qualified candidates
5. To promote and support allied health workforce.
