Submitted:-

Sub:- Regarding approval plan for Proposed Addition of Second floor to the Existing factory building on land bearing survey No. 699/2, & 700/2 of Village Dabhel for Mr. Ashok kumar D. Jain.

Ref :- Your application dated 23/09/2016.

With reference to above, the proposal of approval plan for Proposed Addition of Second floor to the Existing Factory building on land bearing survey Nos. 699/2 & 700/2 of village Dabhel for Mr. AshokKumar D. Jain is scrutinized from planning point of view and the following points are observed:-

1. NOC for the construction permission from the village Panchayat Secretary is required to be furnished.
2. Provisional NOC from fire Department is required to be furnished.
3. Undertaking Certificate for floor height exemption is required to be furnished.

In view of the above, we may request to the applicant to comply the above observations to enable this office to process the proposal.

On site inspection,
Existing building is as per approved plan.
