The solution to every problem lies in development, our initiatives are aimed at strengthening the hands of poor, empowering each and every section of our society and bringing a positive change in their lives.

- Shri Narendra Modi
Hon’ble Prime Minister of India
The Administration has not only empowered the citizens of the UT, it has given them the means to progress independently. We have worked in unison with Hon’ble Prime Minister Shri Narendra Modi’s vision of Sabka Saath Sabka Vikas to achieve Holistic Development of both the citizens and the regions.

- Shri Praful Patel
Hon’ble Administrator,
Daman & Diu and Dadra & Nagar Haveli
Since taking charge, the UT Administration, under the able leadership of Hon’ble Administrator Shri Praful Patel has worked tirelessly towards the development of the UTs and its progress. Within just 2 years of the new Administration’s advent, the UT of Daman & Diu and Dadra & Nagar Haveli has witnessed a sea change in the quality of life & development of the citizens of the UTs.

Inspired by Hon’ble Prime Minister, Shri Narendra Modi’s vision, today the citizens of the UTs enjoy uninterrupted power, better healthcare, world-class education, digital advancements, ease-of-doing-business, affordable housing & several other benefits.

With complete support of Central Government, the UT Administration is steadfast in furthering its momentum, by introducing more schemes, and plans to develop the regions and put them on the pedestal of progress as Model Regions of Modern India.
Achievements in Industrial Sector
Shramyogi Prasad
The Biggest Initiative Towards Nutritious Food for Labourers

- Shramyogi Prasad has been implemented jointly by the Administration in collaboration with the Industries, and Building & Other Construction Workers Welfare Board to provide nutritious food to labourers at the doorstep of the work place.
- A modern kitchen has been set up with the help of Omnibus Industrial Development Corporation (OIDC), an undertaking of UT Administration.
- The actual cost of the meal is between Rs. 35 to 40 which is provided at a subsidized rate of Rs. 10 for industrial workers and Rs. 5 for construction workers.
- From a modest beginning with 129 workers, the number of meals supplied has ascended quickly to around 2000 meals per day.

The scheme has became an instant hit. The workers are immensely happy to get hot, nutritious, delicious food at a fixed time daily at their workplace. The number of beneficiaries is likely to grow further.
• Open Houses for disposal of pending Industrial cases related to clearance from Pollution Control Department and VAT refund were organized.
• 8th Investment Promotion Council concluded wherein the Committee cleared 134 Industrial projects with approximate investment of Rs. 1,709.78 Crore (including Rs. 933 crore in Textile and Rs. 628 Cr. in Plastic) which is likely to generate around 3,000 new job opportunities, 13 Large Scale Industries, 5 Medium Scale Industries, 70 Small Scale Industries and 46 Micro Small Scale Industries.
• Major industries have open the doors for tourists for a comprehensive study tour.
• All major junctions have been taken by industries association for redevelopment under CSR.

• International Labour's Day was celebrated with free health check-up camps that benefited 273 labourers. Special camps by bankers were also organized to register industrial workers under various social security schemes like Pradhan Mantri Jivan Jyoti BimaYojna (PMJBY), Pradhan Mantri Suraksha Bima Yojna (PMSBY) and Atal Pension Yojna (APY). A total of 248 new accounts were opened and 568 labourers availed the benefits under various social security schemes.
• Rojgar Melas organized for providing employment opportunity to all unemployed people. 1,100+ youth applicants have been offered employment.
Shramyogi Swasthaya Seva
Healthcare at doorsteps

- Shramyogi Swasthaya Seva is the biggest initiative towards good health of labour communities.
- Within a short span, more than 10,000 workers have benefitted from the program.
- The data collected will be analyzed subsequently to identify prevalence of occupational and other diseases and other aspects for appropriate policy corrections.
- Shramyogi Swasthaya Seva is provided through four mobile medical units. Vehicles for these mobile units were arranged from the industrial units of UTs under their CSR initiative.

SPARSH
Scheme for promotion of Affordable Rental Smart Housing

- SPARSH Affordable housing scheme unveiled by Hon’ble Prime Minister Shri Narendra Modi has been started by UT Administration for financially weak and laborers of Daman & Diu to improve their condition and provide them houses having basic facilities by paying subsidized rent.
- All accommodations cover 325 sq.ft. and have personal toilet, kitchen space and 2 well ventilated rooms.
- A Housing Complex of 250 people has been created in Dadra. Another such complex is under construction in Daman by the Omnibus Industrial Development Corporation (OIDC).
Achievements in Education Sector
Anganwadis To Nandghars
A Pioneering Leap in Social Development

- The initiative has been undertaken in collaboration with local industries and is a perfect example of a government-industry partnership.
- 31 Anganwadis have been renovated, spending Rs. 4 crores under Corporate Social Responsibility.
- The renovated Anganwadis have been named as Nandghar to denote transformation into pious and vibrant social institutions. They were dedicated to the people by the Hon'ble Prime Minister on 24th February, 2018.
- Confidence of the community in these ANGANWADIS TO NANDGHARS has grown manifold. This is distinctly visible in 18% increase in enrollment of children of 3-6 years of age in a short span of time. Enrollment and attendance of pregnant women and lactating mothers soared two fold.
- New enrolled students facilitated in all primary schools by senior level Officers of UT Administration and Representatives of local bodies under UT’s’ Shala Praveehotsav program.
- In a pioneering initiative to enhance the quality of education the Administration is launching a comprehensive Education Hub at Kevadi, Diu.
- UT Administration is on the verge of commencing Food Craft Institute at Diu.
- Textbooks, uniforms and educational kits distributed free of cost to all students of Standard 1 to 12. All uniforms are designed by NIFT.
- On the day of 12th Board Exams, Hon’ble Administrator personally visited exam centers to wish students all the best.
- Crash Course-2018 commenced for the students of standard 10th and 12th (all streams) to ensure better performance in Board exams.
- Bicycles have been distributed to 1061 school going girls.
- Free coaching classes commenced for local unemployed youth of Daman & Diu to help them pass in written exams conducted by Staff Selection Board.
- Teachers’ Day celebrated with the aim of pursuing guru-disciple tradition. Retired Senior Teachers were honored by Hon’ble Administrator on the Day.
- Work of renovating and construction of new school buildings undertaken.
- Dedicated girls hostel constructed and opened in Daman.
- UT Administration observed Divyang Day on 4th December, 2017. Drawing Competition was organized for ‘Divyang Students’ and winners were awarded prizes.
- Central Government grant the permission to establish Medical College in UTs and have already sanctioned Phase-1 grant of 189 crs.

- Citizens of the UTs present their gratitude for such big initiative and reform in education sector to Hon’ble Prime Minister Shri Narendra Modi, Hon’ble Home Minister Shri Rajnath Singh and to Hon’ble Administrator Shri Praful Patel.

- Foundation stone of 1st Engineering College of UTs was laid by Hon’ble Prime Minister Shri Narendra Modi.

- Nursing College inaugurated at Daman which will help in meeting the shortage of nurses and also provide the employment facilities to the local girls.

- Ministry of Health & Family Welfare, has approved and sanctioned Rs. 13.7 Croros for setting up a Paramedical College in DNH. Academic courses of Allied Health sciences have commenced in the UTs.

- New Learning Resource Center launched with a collection of 6 Lakh Books and 6,000 e-Journals for benefit of the UTs’ students.

- UTs’ 1st University on the verge of getting approval from Government of India. MHRD has already given in principal approval for University. This historic step will give UTs education & its students a tremendous boost.

---

Centralized Kitchen for Mid-day Meals
Transforming Nutritional Status of School Children

- UT Administration entered into partnership with the Akshay Patra Foundation for setting up centralized kitchen facility to serve fresh, nutritious food, at a cost of Rs. 14.53 Crores.

- A centralized kitchen will be established in DNH to serve hot cooked wholesome nutritious meals to 65,000 students.

- The Kitchen will be mechanized with machines like large cauldrons, boilers, vegetable washing & cutting machines, rice cleaning machine, roti cooking machines, spices grinding machines, etc.

- Proper fire and other safety measure as per ISO standards will be installed.

- The food would be distributed through the customized insulated vehicles to ensure service of hot food.

- Benefits to the students would be immense including wide variety in the menu, hygienic and quality food, timely delivery on all school working days. Care would be taken to ensure proper nutrient quotient as per MDM norms.
Achievements in Healthcare Sector
Beti-Janmotsav

“Let us celebrate the birth of the girl child. We should be equally proud of our daughters.” - Hon’ble Prime Minister

- Beti-Janmotsav has been conceived to spread Beti-Bachao, Beti-Padhao message of the Hon’ble Prime Minister, enhance importance of girls by publically celebrating the birth of girl child, publically felicitating the parents of the girl child with Badhai-kit to make them proud of the baby girl, provide benefits of government schemes aimed at ensuring education and participation of girl child and to spread awareness and affect behavioural change for prevention of gender biased selective sex elimination.
- Parents of all girl children born in a specified period are invited to a mega function organized by the Administration.

- A grand cake with ‘Beti-Bachao, Beti-Padhao’ logo is cut by the parents and newborn girls thereby creating a joyous environment.
- There have been several positive outcomes of the initiative. The sex ratio has gone up from 926 in 2011 census to 935 in 2017. The infant mortality of girl child in absolute number has reduced from 50 in 2016-17 to 36 in 2017-18.
- Institutional deliveries have increased to 99.58% in 2017-18. Number of >12 weeks pregnancy termination have come down.
- The intensive awareness activities have also resulted in positive change in behavior and respect for the girl child. The initiative has led to increase in awareness about importance of daughters.

Contents of Badhai Kits

• Mission Indradhanush Launched from 23rd April -27th April, 2018. Under the program vaccination of Children upto 2 yrs of age and pregnant women was done by the Health Department.

• Jan Aushadhi Kendras launched to provide affordable generic medicines to the people of UTs.

• Pehl Savari Vehicles Launched. The initiative will provide free rides for mothers and their newborn child from hospital to home.

---

Mission Malnutrition Free
A step towards healthier adulthood through nutritious childhood

• A comprehensive population survey cum screening was done as per WHO guidelines to identify each malnourished child. Based on the results, the children were categorized into Severe Acute Malnutrition (SAM) and Moderate Malnutrition (MAM) categories. Screening identified 1,416 SAM and 2,132 MAM children.

• Within 6 months of its launch, the Mission Malnutrition Free has shown encouraging results. Out of 1,416 malnourished children found during the survey, 1,046 children have been put on RUTF. 60% of them have shown improvement with 356 getting converted into MAM category while 119 have returned to normalcy. All the moderately malnourished children have been put on double ration in the Anganwadis and are showing constant improvement.
Achievements in Social Welfare
SWABHIMAN
Nutrition for Everyone

- Under ‘Swabhiman’, the beneficiaries are provided monthly quota of supplementary nutrition as take home ration, instead of visiting anganwadi daily to avail the benefit.
- The items provided in the supplementary nutrition kits are procured from the market through an open and transparent process. Wheat and rice are availed from the normal quota of Food Corporation of India.
- Each item is neatly packed after quality inspection. All the items are then packed in an easy to carry jute bag for each beneficiary. The bag has monthly entitlement of supplementary nutrition printed on it.
- The scheme has started showing positive results within a short period. Enrolment of beneficiaries in Anganwadis has grown multifold.
- 9,812 beneficiaries given 7.5 kgs. Nutritious Ration under Swabhiman Scheme.
