HISTORY AND PURPOSE

The TECHNICAL TRAINING INSTITUTE (TTI) was established in 1965 as a Technical High School Centre for providing basic introductory technical knowledge in various engineering fields such as Civil, Mechanical, Electrical and Computer Engineering. Since then the institute has continuously evolved to meet the changes in the field of Engineering.

The Technical Training Institute is the only Govt. institute in Daman offers Technical subject (as Pre-Vocational subjects) to the students of High schools (Std IX & Std X) and act as a supporting institute of all High Schools of Daman District. This institute offers various vocational courses at Higher Secondary Level (10 + 2) and also provides Technical skills to the youth of SC/ST of Daman District. Which are very important in engineering field and in daily life. The institute has revised and updated the course contents and Laboratory equipments from time to time to keep pace with the changes in technology and in meeting the growing needs of the industry. In this regard various schemes have been in operation over the years, the requisite funding has been obtained from both state and central government agencies. Furthermore the TECHNICAL TRAINING INSTITUTE (TTI) brings together a dedicated team of highly educated Lecturers, Instructor and Lab Technician to provide the highest standards of Technical Education.

Its extensive infrastructure comprises of 10 modern classrooms, one project room, two computer labs, Three Drawing rooms and different Mechanical and Electrical section including one small play ground.
