Subject:- Request for approval to designate BECIL as an additional agency for implementation of all MMPs across India using BECIL's Manpower Empanelment and provision of NIC and NICS support as and when required for this objective.

Reference:- Letter from DeitY in response to the letter from OSD, Ministry of Communication and Information Technology, Government of India, Sanchar Bhawan, New Delhi for Time bound implementation of Mission Mode Projects (MMPs) across India to Make Digital India Programme a success and the current progress status of implementation.

Dear Sir,

This is in reference to the speedy implementation of Central and State Mission Mode Projects (MMPs) under National eGovernance Plan (NeGP) across all States / UTs / Ministries / Departments in consultation with NIC and NICS. In the same context, we would like to draw your kind attention that progress of the implementation of MMPs is relatively very slow and hence it is very much required to rollout at-least some MMPs which are very critical and important in nature so as to make the Digital India Programme a success.

In this regard, we would appreciate if you give your go-ahead to cater these MMPs of national importance (Rollout and Implementation through our eGovernance Empanelment for all Mission Mode Projects) and can help NIC to replicate all MMPs across India faster. The Followings are the NIC Projects which can be implemented with the help of NIC:-

Central MMPs	State MMPs	Integrated MMPs
Banking	Agriculture	CSC
Central Excise & Customs	Commercial Taxes	e-Biz
Income Tax (IT)	e-District	e-Courts
Insurance	Employment Exchange	e-Procurement
MCA21	Land Records (NLRMP)	EDI For e-Trade
Passport	Municipalities	India Portal
Immigration, Visa and Foreigners Registration & Tracking (IVFRT)	e-Panchayats	National e-governance Service Delivery Gateway
Pension	Police(CCTNS)	
e-Office	Road Transport	
Posts	Treasuries Computerization
