26. Extension of time limit for supplier may be considered by the Tender Inviting Officer up to 50% of the original stipulated time for supplies and beyond that by the Competent Authority to accord expenditure sanction or enter into contract with reference to the amount involved in the contract. However, extension of time limit will be considered in very exceptional circumstances and at the discretion of the above authorities and supplier cannot claim it as a matter of right. The extension so granted, may be with levy of compensation for delay in execution of supply order up to 10% of the cost of the delayed quantity, competent to grant extension of time limit, provided such request is made in time depending upon the circumstances and such decision in the matter will be final.
27. Only on satisfactory completion of supply of goods, bills of the supplier to be admitted for payment, the amount of Security Deposit / Earnest Money Deposit will be refunded after expiry of guarantee / warranty period if any, or any such date / period as may be mutually agreed upon. The guarantee/Warranty period will be from the date of supply of full quantity of the goods.
28. No advance payment or part payment will be made. Payment will be made only after full supply as per order.
29. All bills should be in TRIPLICATE and shall invariably mention the number and date of supply order.
30. All contracts will be given to the overall lowest Bidder not item wise due to technology reasons.
31. The right to accept or reject without assigning any reasons any or all tenders in part or

whole is reserved with the Tender Inviting Officer and his decision(s) or all matters relating to acceptance or rejection of the tenders as a whole or in part will be final and binding to all.

32. Permanent Helpline number along with the number and address of senior officials of the agency to be provided. The Head Masters/Teachers of the school may contact them for resolving technical issues, if any.

33. **All disputes subject to Daman jurisdiction only.**

Other Project Specific Conditions

1. **Period of contract:** The tender for providing e-content for Smart LED TV for Classrooms of various schools in UT OF DAMAN & DIU AND DADRA & NAGAR HAVELI shall be allotted for a period of 12 months (one year) from the date of commissioning & functioning of Smart Classrooms in UT OF DAMAN & DIU AND DADRA & NAGAR HAVELI Schools subject to renewal of contract for further 2 years based on performance at same rate.
2. The successful bidder will also maintain and upkeep the e-content for Smart Classrooms under comprehensive warranty throughout the contract period as per the terms & conditions given in this tender document.
3. All e-content of the Smart Classrooms shall be delivered and installed at location/site of UT OF DAMAN & DIU AND DADRA & NAGAR HAVELI government schools. The Bidder shall bear all the costs for the supply, installation and maintenance to respective locations.
4. The list of schools containing details of Locations will be provided at the time of issuance of work order.
5. The bidder should ensure proper installation of Educational Digital Content in Smart Classrooms in UT OF DAMAN & DIU AND DADRA & NAGAR HAVELI Schools and the proper functioning of all the equipments. The Principal of the school concerned will certify the successful installation.
6. The bidder must have the full licensed rights of the software nationally as well as internationally of all software/operating systems developed and /or supplied to UT OF DAMAN & DIU AND DADRA & NAGAR HAVELI through this tender.
7. Bidder must provide a 24/7 helpline number for entire period of contract with name of relevant person at senior level to provide tech support and to resolve the queries and defaults to each school head.

8. TRAINING REQUIREMENTS FOR THE E-CONTENT

- Training for all the concerned teachers in each school needs to be provided by the bidder. All the Teachers will undertake the training in the presence of the principal of the respective school.
 - Post this training, independent evaluation will be carried out by UT OF DAMAN & DIU and DNH education department to understand the readiness of the teachers in each school in adoption of the smart teaching mechanism.
 - In case administration find out there are still training requirements based on the above evaluation, the bidder needs to undertake further training as specified in the evaluation report prepared by administration.
 - The successful bidder will also provide 2 days refresher training of teachers on quarterly basis for the period of contract. Date, Time and venue of training will be finalized by the administration
9. If services of bidder are not found satisfactory, at any stage during the period of contract, in such situations the firm shall be bound to remove the deficiencies at its own cost within the time period fixed by UT administration of DD & DNH. In case the firm is not able to

remove and rectify the deficiencies within the given time period, the Director of Education UT OF DAMAN & DIU *will* be competent to impose the penalty provisions stated in this tender document.

10. PENALTY CLAUSE

- No Digital Content in the smart classrooms and elsewhere shall be down for more than 24 hours continuously from the date of the lodging of complaint, otherwise a penalty of Rs 5000/per day will be imposed.
- However, if Even after 15 days, the rectification does not take place and the problem still persists, the Principal of the concerned School, Resource person along-with Engineer of the service provider will check & verify the faulty component/ equipment/hardware and the successful bidder is liable to replace the component/ equipment/hardware of same or higher specifications & same brand, which should be compatible with the existing hardware/software. In case of non-compliance of above, a final show cause will be issued to rectify the system in next 7 days otherwise the contract will be terminated and the complete security amount will be forfeited and supplier will be liable to repay all the payments made before

THE ABOVE CONDITIONS ARE ACCEPTED & ARE BINDING TO ME /US.

All the digital educational contents for syllabus from 1st to 12th should follow the text book based curriculum of the Gujarat State Education Board/Maharashtra State Board/NCERT/CBSE. Educational contents provided should also include Languages Gujarati, Hindi, English and Marathi.

Functional & Technical specifications for the Digital e-Learning platform:

➤ **The Digital e-Learning platform should have the following Functional features:**

- a) User Registration: Digital e-Learning platform must allow Teachers/Students to register to use the e-Learning contents for a particular grade.
- b) Administration: Digital e-Learning platform must allow administrator to manage user registrations and profiles, define digital content access, manage content, view reports in an offline environment.
- c) Planning & Tracking Academic Progress: Planning and tracking of academic progress should be automatic and enabled for the following roles Students / Teachers.
- d) Performance Tracking: Tacking of the marks for a Class or an individual on the basis of the tests & quiz attempted using the app must be possible.
- e) Content Upload: Teachers must have the access to feature to upload contents as per the academics and link it to the available academic structure. The upload of contents must allow saving of uploaded contents locally or on a google drive in an organized manner as per the structure of the syllabus.
- f) Question Bank: Digital e-Learning platform should have interactive MCQ/Fill in the blanks etc. type questions for the available academic structure.
- g) Teacher can create Question Bank: Teacher should be able to add additional questions to the available academic structure and contribute towards creation of Question Bank.
- h) Assessment: Digital e-Learning platform must be having feature to conduct MCQ type quick assessments inline during a blended session, for topic/chapter level and for a subject level.
- i) Google for Education: Digital e-Learning platform must be integrated with free tools available like Google for Education. It must seamlessly integrate the Google Classroom forum for empowering teachers to create classes, distribute assignments, send feedback, and see everything in one place. It is Instant. Paperless. Easy.
- j) Google Drive: Digital e-Learning platform must be integrated with free google drive for uploading and storing contents created by teachers.
- k) YouTube Integration: Digital e-Learning platform must be integrated with YouTube to allow teachers to add reference links for supplementary access to more MOOC contents. These added YouTube links must be placed as per the available academic structure and played from within the Digital e-Learning platform and stored for anytime access.
- l) Lesson Planning: Digital e-Learning platform should have notes feature to do Lesson Planning and execution for a specific sub topic within a topic/chapter.

m) Support blended learning: Digital e-Learning platform should offer a curriculum that mixes classroom and online digital contents easily. The Digital e-Learning platform should be able to handle audio and video contents.

n) Content integration features: Apart from supporting the vendor's own digital contents, the Digital e-Learning platform should provide native support to a wide range of third-party contents also.

o) Reports: Digital e-Learning platform should generate graphical as well as tabular user wise reports on Session, Activities, Usage, Notes, Content Addition, Quiz etc. It should be possible to generate .pdf for these reports and even mailing these to registered email id from within the Digital e-Learning platform. The Reports must be available in Graphical as well as tabular formats.

p) Dynamic Dashboard: Digital e-Learning platform should have a dynamic dashboard to represent the progress of the learning process and give a bird eye view for time spent, quiz available, modules available and progress.

q) Platform Updates: Digital e-Learning platform should have facility to update Online for patches and updates.

r) Accessibility: Digital e-Learning platform should have facility to change to font text size.

s) Search: Digital e-Learning platform should have a facility to search educational contents within the selected grade, subject, chapter and topic.

t) Localization: Digital e-Learning platform should have a facility to localize the User Interface.

➤ **The Digital e-Learning platform should have the following Technical features:**

a) The Digital e-Learning platform must be an App and should run on Android / Linux / Ubuntu and Windows Desktop/Server OS or higher version.

b) The Digital e-Learning platform should be on a learning approach and thus can be learned in observe of [SE] teachers by a peer group.

c) The Digital e-Learning platform should allow the Teachers to upload or provide additional content reference in form of a document formats, media formats, notes etc. for any or all topic/sub topic during a Computer Aided Learning (CAL) session or prior to CAL session.

d) The Digital e-Learning platform should have a Student Centric learning approach by providing Learning Objectives, Audio with Transcript/Subtitles, Course help, Course Search, Glossary, Summary, Notes etc.

e) The Digital e-Learning platform should accommodate all types of learners i.e. visual and auditory.

f) The Digital e-Learning platform should maintain high visual standards and consistency with respect to fonts, colors, animations, designs etc. The e-Learning courseware contents must not use any material, images, animation, pictures etc. from the internet.

g) The Digital e-Learning platform within the course should follow a logical sequence mapped to text books for easy learning. The lessons based on modular approach with at least 3 or more levels.

h) The Digital e-Learning platform Lessons should be interactive, with proper animations and

illustrations, should have more illustrated images and animations rather than scanned pictures and mere videos.

i) The Digital e-Learning platform needs to engage learners for active learning by means of simulations, illustrations, activities like fill in the blanks, multiple choice quiz in form of In-Line questions to judge students' concentration during the CAL sessions.

j) The Digital e-Learning platform should have narration/interaction in the same language the course is offered and must have inbuilt transcript support apart from audio in the language it is offered in this case Marathi.

k) The Digital e-Learning platform should allow 3 Way learning approach (Audio, Visual and Hands on).

l) The Digital e-Learning platform should be enabled with responsive design for accessibility over the Web/Desktop/Mobile/Smart Phones with all features.

m) The Digital e-Learning platform should allow the users to navigate from one courseware to another using a single user interface to select a particular module or courseware with simple Icon based navigation

n) The Digital e-Learning platform should be able to have ease of instructional language selection for all or particular module.

o) The Digital e-Learning platform must be operational in a virtual/shared computing lab environment.

p) The Digital e-Learning platform must have feature be able to stream online contents.
