- i) The contractor must make arrangements to meet the intense demand of cleanliness on the beaches after special events like School Vacation, Nariyali poornima Festival, Daman festival, New Year, Christmas etc. by arranging for adequate number of manpower or higher number of bins on the beach for waste collection or other innovative means to ensure complete cleanliness on beach within 24 Hours after the first day of the event.
- j) The tidal spring brings back a lot of floating and other wastes on to the beaches. The frequency and the generation of waste on account of tidal cycles are severe in rainy season or during high tides. The contractor shall therefore deploy adequate resources to intensify cleaning operations during such events through longer beach cleaning machine operations And /Or longer manual operations through a larger workforce And /Or by deploying additional equipment or machinery. Strict adherence shall be taken during the rainy season, in case of any litter or waste heaps found by the authority the successful bidder shall be

liable. At any circumstances, litter or open heaps of waste shall not be visible on the beaches. For transportation or additional MSW the contractor shall deploy the closed dumpers in addition to regular compactor vehicle without any extra cost.

- k) The successful bidder shall collect and dispose all types of wastes including litter, plastic bags/ bottles, organic and inorganic wastes as per the scope of work besides garbage generated by shacks including sand dunes/vegetation area, and access to the beaches (about 50 mtrs. from the bench /vegetation area). The site for disposal shall be arranged by the bidder, and the bidder must give the details of his plan to dispose off the garbage in a scientific and proper manner. The Contractor has to abide by the plan given by him very strictly and no deviation whatsoever will be allowed. Such plan must accompany the tender documents at the time of submission of this tender document of the sites mentioned in this document should be made available for inspection to the Officials of the Department of Tourism every day.
- l) The entire responsibility of collection, dumping/disposal lies with the bidder/contractor. Charges towards processing & disposal of wastes is to bear by bidder. The bidder has to make arrangements for disposal of garbage and provide disposal/dumping site certificate along with the tender as per Annexure – 6. The bidder/contractor should collect the organic/inorganic waste displaced from the beaches to the nearby surrounding areas also.
- m) The contractor shall deploy sufficient labourers, supervisor, Duty Manager etc. in each of the designated locations (gardens/beaches) as per the requirement, comprising minimum 30% of the labours originally from the local villages with all necessary required equipment in order to collect and dispose of organic/inorganic waste. The contractor shall/provide/arrange uniforms to their labours at their own Cost. The uniform should have the logo of Tourism Department, Daman & Diu and the logo of “Swacchh Bharat Mission”
- n) All the labourers deployed on the beaches shall be present minimum 8 hours and the agencies should submit their schedule of timing in advance to this department.
- o) The Contractor shall also arrange for the labour, uniform, gloves, boots, brooms, dustbins (as per standard design), temporary rest rooms and toilet facilities for the labourers, arrangement of vehicle for disposal of wastes, disposal site, etc. for successful completion of the work.
- p) The Contractor may have to execute the work of cleaning any other property of the Tourism Department, Daman if required based on the mutual consent of both the parties.
- q) The standards of quality assurance of the selected contractor shall be based on the following points:
- All the designated areas of Daman (as detailed in this tender document) should be visibly clean at all times of the day.
 - The contractor must ensure that dustbins (of min. 120 liters) are placed at all the selected places along with proper signage.
