This is about a proposal received from the Public Work Department, Daman for acquisition of land admeasuring 34259 sq. mtrs. at village Kathiria, Nani Daman for Construction of Road from Narayan Park to proposed Commercial Airport terminal at Daman.

The Administration of Daman & Diu issued an order vide order No.3/14/2017/LQN/CG/2016-17/1158 dated 20/06/2017 to constitute Social Impact Assessment Team to conduct the process as per rule 7 and submit final Social Impact Assessment report with Social Impact Management Plan in Form II.

The report of Social Impact Assessment Team is as under:

2. Social Economic impact of the project.

<u>Positive Impact</u>	<u>Negative Impact</u>	<u>Remarks</u>
7. Improved connectivity to Daman and nearby areas. 8. Boost industrial development and more livelihood option for general public. 9. More Tourist influx and in turn growth of Tourist Sector. 10. Improvement in standard of living. 11. Improvement in medical and health facilities. 12. Strategic importance	4. Negative impact on agriculture. 5. Difficulties in finding land elsewhere Daman being a small area. 6. Hampered infrastructure development in nearby areas due to strict airport norms.	After careful examination of various parameters of cost and benefit (positive & negative), it is found that the proposal for development of Commercial Airport Terminal at Daman would benefit the local community at large.

The SIA team concluded that the process of land acquisition has both positive as well as adverse impacts. But the positives impacts of this project outweigh the negative ones. Keeping overall scenario in view, it is found that the proposed Commercial Airport terminal at Kathiria, Nani Daman would benefit local community and society at large.
